आदेश

नई दिल्ली, 19 अप्रैल, 1990

सा.सं. 1721:—मैसर्स हिन्दुस्तान फर्टिलाइजर कॉर्पोरेशन लिमिटेड,
नामरूप यूनिट, डाकघर प्रभातपुर, जिला डिब्रुगढ़ (असम), 786623, को
इटीसी से आपूर्ति अतिरिक्त पुर्जों के आयात के लिए अस्थायी लाइसेंस
सं. पी/डी/2276834 दिनांक 22-5-89 मूल्य 43,13,000 रु.
(तीस लाख साठ हजार रु. मात्र) (डीएम 5,10,400 के बराबर)
के लिए दिया गया था।

2. फर्म ने उपर्युक्त लाइसेंस की मूद्रा विनिमय निबंधन प्रति जो
उनसे खो गई/गुम हो गई है की अनुलिपि के लिए आवेदन किया है।
अब यह भी बतया गया है कि लाइसेंस की मूद्रा विनिमय निबंधन
प्रति किसी बैंक/सीएमएल प्राधिकारी के पास पंजीकरण किए बिना हो
खो गई है तथा उसका विस्तृत भी उपरोक्त नहीं किया गया है।

3. आपने तर्क के समर्थन में लाइसेंसधारी ने नोटरी पब्लिक दिल्ली के
सामने विधिवत शपथ लेकर स्टाम्प पेपर पर एक शपथ-पत्र दायित्व
किया है। तदनुसार मैं संतुष्ट हूँ और यथासंशोधित आयात (निर्यात)
आदेश, 1955 दिनांक 7-12-1985 की उपधारा 9 (ग) द्वारा प्रदत्त
शक्तियों के प्रयोग करते हुए मैसर्स हिन्दुस्तान फर्टिलाइजर कॉर्पोरेशन
लिमिटेड को जारी किए गए लाइसेंस पी/डी/2276834 दिनांक 22-5-89
की शर्तों में मूद्रा विनिमय निबंधन प्रति को एन.डी.ए. रद्द किया
जाएगा।

4. तदनुसार पार्टी को उक्त लाइसेंस की अनुलिपि मूद्रा विनिमय
निबंधन प्रति अलग से जारी की जा रही है।

MINISTRY OF COMMERCE

(Office of the Chief Controller of Imports and Exports)

ORDER

New Delhi, the 19th April, 1990

S.O. 1721.—M/s. Hindustan Fertiliser Corporation Ltd.,
Namrup Unit, PO. Parbatpur Distt. Dibrugarh (Assam)—
786623, were granted an Import Licence No. P/D/2276834,
dated 22-5-1989 for Rs. 43,13,000 (Rupees Forty three lakhs
and thirteen Thousand only) (Equivalent to D.M. 5,10,400)
for import of Emergency Spares under Italy.

2. The firm has applied for issue of duplicate Exchange
Control copy of the above mentioned licence which
has been lost/misplaced by them. It has further been stated
that Exchange Control copy of the licence has been lost
without having been registered with any Bank/customs autho-
rity and is totally unutilised.

3. In support of their contention, the licensee has filed an
affidavit on stamped paper duly sworn in before a notary
public of U.T. of Delhi. I am accordingly satisfied and in
exercise of the power conferred under Sub-Clause 9(CC) of
the Import (Control) Order, 1955 dated 7-12-1985 as amended

that the said original Exchange Control Copy No. P/D/2276834, dated 22-5-1989 issued to the M/s. Hindustan Fertilizer Corporation, Ltd. is hereby cancelled.

4. A duplicate Exchange Control Copy of the said licence issued to the party accordingly.

[F. No. Suppl/ES-5/DGTD/AM90/SLS]

S. KUJUR, Dy. Chief Controller of Imports & Exports

BUREAU OF INDIAN STANDARDS

New Delhi, the 22nd May, 1990

S.O. 1724: -In pursuance of sub-regulation (5) of regulation 4 of the Bureau of Indian Standards (Certification) Regulations, 1988, the Bureau of Indian Standards, hereby notifies the grant of licences particulars of which are given in the following schedule.

SCHEDULE

Sl. Licence No. and Date No. (CM/L-....)	Period of Validity		Name and Address of the Licensee	Article/Process Covered by the Licences and the Relevant IS : Design- nation	
	From	To			
(1)	(2)	(3)	(4)	(5)	(6)
1. CM/L-16783 69 1987-04-01	87-04-16	88-04-15	Charminar Steels Pvt. Ltd., Plot No. 7 & 8, Nacharam Industrial Area, Hyderabad-501507 (Office : 5-4-98/99-4, Mahatma Gandhi Road, Raniganj, Bus Stand, Secunderabad-500003)	Structural Steel (Standard quality) Type : Round, square & hexagonal All sizes Grade : Fe 410-S IS : 226—1975	
2. CM/L-16784 70 1987-04-08	87-04-16	88-04-15	Teecee General Industries Pvt. Ltd., 305, Madhwapur, Allahabad-211003	Self-contained drinking water coolers, 150l Capacity, storage type IS : 1475—1978	
3. CM/L-16785 71 1987-04-09	87-04-16	88-04-15	Phenoweld Polymer (P) Ltd., Kriplani Estate, Saki Vihar Lake Road, Bombay-400072	Plastic flushing cistern valve type, 10 Litre, Low level, IS : 7231—1984	

(1)	(2)	(3)	(4)	(5)	(6)
4.	CM/L-16786 72 1987-04-09	87-04-16	88-04-15	Savatram Polymers. MIDC Industrial Estate, Plot No. F-38/A, Phase-II, Akola-444104 (Office: Savatram Mills Compound, Akola-444001)	Unplasticized PVC pipes for potable water supp- lies Class 2 Sizes upto and includ- ing 110mm IS : 4985—1981
5.	CM/L-16787 73 1987-04-09	87-04-16	88-04-15	Enfil Polymers (P) Ltd., 6/5, Behala Industrial Estate 620 Diamond Harbour Road, Calcutta-700034	Blow moulded HDPE Containers for vanaspati, 1kg capacity only IS : 10840—1986
6.	CM/L-16788 74 1987-04-09	87-04-16	88-04-15	Mohan Metal Industries, 178/2A, Bhola Nath Nagar, Shahdara, Delhi-110032	Tower bolts, (non-ferrous Metal) Type 4 sizes 150 mm IS : 204(Pt. II)—1978
7.	CM/L-16789 75 1987-04-09	87-04-16	88-04-15	Piryadarshni Cable Industries, 32/3F, Azad Nagar, Kanti Nagar Road, Delhi-110051	PVC insulated twin core (Parallel Twin) single shot or multi shot firing cables — IS : 5950—1971
8.	CM/L-16790 68 1987-04-09	87-04-16	88-04-15	Sylvania & Laxman Ltd., 68/1-3, Najafgarh Road, New Delhi-110015	Tubular flourescent lamps for general lighting pur- poses 40 W, 1200 X, 38mm, G-13 Caps, 6500 K starting with starter IS : 2418 (Pt I)—1977
9.	CM/L -16791 69 1987-04-09	87-04-16	88-04-15	Mohan Metal Industries, 178/2A, Bhola Nath Nagar, Shahdara, Delhi-110032	Aluminium Alloy Door handles, Type 4, Size 100mm IS : 208—1979
10.	CM/L-16792 70 1987-04-09	87-04-16	88-04-15	Sanjeev Tins 6th km stone, Delhi Road, Hissar-125003 (Haryana).	15-Kg square tins for vanas- pati and edible oils, IS : 10325—1982
11.	CM/L-16793 71 1987-04-09	87-04-16	88-04-15	Vinay Enterprises, 57 Sector-A, Industrial Area, Suklia, Indore-452003 (Office : 20 Shankar Bag, Indore-452006)	15-Kg square tins for vanas- pati and edible oils IS : 10325—1982
12.	CM/L-16794 72 1987-04-09	87-04-16	88-04-15	P.V.S. Industries, P.B. No. 33, Amaravathy, Hospet, Bellary Dist., Karnataka.	BHC 50% water disper- sible Powder Concent- rates, Ganima Isomer 6.5% IS : 562—1978

(1)	(2)	(3)	(4)	(5)	(6)
13.	CM/L-16795 73 1987-04-09	87-04-16	88-04-15	Sulphite & Allied Chemicals, H-25, 26 Industrial Area, Rajgarh-301408 Distt. Alwar (Rajasthan) (Office : Opposite Bank of Baroda), Hope Circus, Alwar-301001)	Sodium Bisulphite (sodium metabi-sulphite), technical grade only IS : 248—1978
14.	CM/L-16796 74 1987-04-09	87-04-16	88-04-15	Chemicals & Insecticides, Ram Nagar, Karnajaha, P.O. Bhainsha, Devria Road, Gorakhpur (Office : Saraf Chamber, Hindi Bazar, Gorkhapur).	Formulation based on stabilized methoxy ethyl Mercury chloride concentrates IS : 2358—1963
15.	CM/L-16797 75 1987-04-09	87-04-16	88-04-15	Mascot Agro Chemicals Pvt. Ltd., 93-III phase Peenya Industrial Area, Bangalore-560058 (Office: 875 West of Chord Road, II stage, Mahalaxmipuram Extension Bangalore-560086).	2, 4-D Sodium Salt technical IS : 1488—1985
16.	CM/L-16798 76 1987-04-09	87-04-16	88-04-15	Karnatak Agro Chemicals (P) Ltd., A-147, Industrial Estate, Peenya Bangalore-560058 (Office: 5th Floor, Reshma Complex, 83 M.G. Road, Bangalore-560001)	Monocrotophos 36% SL IS : 8074—1983
17.	CM/L-16799 77 1987-04-09	87-04-16	88-04-15	Anurag Spinners, 14 Lakshmi Nagar, Main Road, Tirupur-638602	Plain knitted cotton vests Sizes : 75—110 cm Types; RN and RNS Gauge: 24 IS : 4964—1980
18.	CM/L-16800 53 1987-04-09	87-04-16	88-04-15	Sri Vinar Knitters, 12 Lakshmi Nagar, 2nd Street, Tirupur-638602	Plain knitted cotton vests: Sizes: 75—110 cm Types RNW and RNS Gauge: 24 and 26 IS : 4964—1980
19.	CM/L-16801 54 1987-04-09	87-04-15	88-04-16	Kailaso Devi, 225/2 Khajoorikhas, Wazirabad Road, Shahdara, Delhi-110094	Paraffin Wax, Type—3 IS: 4654—1974

7.	IS : 1991 (भाग 4)--1988 अपघर्षण पिसाई पहिए के प्रयोग, सावधानी और रक्षण की सुरक्षा संहिता भाग 4 सुरक्षा गार्ड (दूसरा पुनरीक्षण)	IS : 1991--1973	--
8.	IS : 1991 (भाग 5)--1987 अपघर्षण पिसाई पहिए के प्रयोग, सावधानी और रक्षण की सुरक्षा संहिता भाग 5 फ्लैज (दूसरा पुनरीक्षण)	IS : 1991--1973	--
9.	IS : 2006--1983 प्रोटीन रेणु और अन्य कुछ गैर प्रोटीन रेणुओं के बाइन्डरी मिश्रण के मात्रात्मक विश्लेषण की विधि (दूसरा पुनरीक्षण)	IS : 2006--1978	--
10.	IS : 2077--1988 मोटर वाहनों के बिजली के हार्ने रिले की विशिष्टि (पहला पुनरीक्षण)	IS : 2077--1962	--
11.	IS : 3082--1983 पट्टकीणीय साकेट पेज चाबियों की विशिष्टि (दूसरा पुनरीक्षण)	IS : 3082--1973	--
12.	IS : 3317 (भाग 4 खंड 1)--1988 कम प्रदूषित वातावरण में प्रयोग हेतु पोर्स सेल के ट्रांस्फार्मर-बुण्डिंग के आयात बुशिंग खंड 1 पोर्स सेल के भाग (दूसरा पुनरीक्षण)	IS : 3347 (भाग 4 खंड 1)--1973	--
13.	IS : 3416--1988 सूत सहित पालीएस्टर रेणु और पुनर्जनित सैल्युलोस के बाइन्डरी मिश्रण के मात्रात्मक रासायनिक विश्लेषण की विधि (दूसरा पुनरीक्षण)	IS : 3416--1982	--
14.	IS : 3952--1988 दीवार और डाढ़ हेतु मिट्टी की पकी खोखली ईंटों की विशिष्टि (दूसरा पुनरीक्षण)	IS : 3952--1978	--
15.	IS : 7285--1988 स्थायी और उच्च दाब द्रवित गैसों के लिए सीबन रहित इस्पात के सिलिंडर की विशिष्टि (दूसरा पुनरीक्षण)	IS : 7285--1982	--
16.	IS : 7460--1988 गुंठाकार रोलर वेयरिंग की विशिष्टि (पहला पुनरीक्षण)	IS : 7460--1974	--
17.	IS : 8198 (भाग 7)--1988 संयोजित गैसों हेतु इस्पात सिलिंडरों की गति संहिता भाग 7 अमोनिया (पहला पुनरीक्षण)	IS : 8198 (भाग 7)--1979	--
18.	IS : 9000 (भाग 1)--1983 इलेक्ट्रॉनिक एवं बिजली की वस्तुओं की आवाजसूत परीक्षण प्रक्रिया भाग 1 सामान्य (पहला पुनरीक्षण)	IS : 9000 (भाग 1)--1977	--
19.	IS : 9636--1983 रासायनिक विरोध की (डिप्लेटेरीज) की विशिष्टि (पहला पुनरीक्षण)	IS : 9636--1980	--
20.	IS : 10310 (भाग 59)--1988 केबल का परीक्षण विधि भाग 59 केबल से जो गई पार्लामेन्ट सभों के दहन के दौरान उत्पन्न हैबोजन अम्ल गैस की मात्रा का निर्धारण	--	--
21.	IS : 11000 (भाग 4 खंड 1)--1988 आग से हानियों का परीक्षण भाग 1 इलेक्ट्रॉनिक और बिजली की वस्तुओं में आग से हानियों के मूल्यांकन हेतु अपेक्षाएं और परीक्षण दिशानिर्देश बनाने के दिशा निर्देश खंड 1 सामान्य दिशा निर्देश	--	--
22.	IS : 11455 (भाग 2)--1988 दूर संचार और इलेक्ट्रॉनिक उपकरणों में प्रयोग हेतु ट्रांस्फार्मर और प्रेरकों के आयात भाग 2 मुद्रित परिचय बोर्ड बाउंटिंग हेतु आई ई एक्स-2 लैमिनेशन के प्रयोग कर्तु हेतु ट्रांस्फार्मर और प्रेरक	--	--
23.	IS : 11959--1987 कठोर धातुओं में माइक्रो संरचना की मेटेनोग्राफिक निर्वर्ण की विधि	--	--
24.	IS : 11960--1987 कठोर धातुओं में अल्पतम कार्बन और परंतु संरचना की मेटेनोग्राफिक निर्वर्ण की विधि	--	--

(1)	(2)	(3)	(4)
25. IS : 12132--1987 पालीएस्टर का मिश्रित बर्लेटेड सूटिंग की विशिष्टि	--	--	--
26. IS : 12284--1988 बहुपत्ती मुद्रित बोर्ड में प्रयोग हेतु प्रीप्रेस की विशिष्टि	--	--	--
27. IS : 12290--1987 हवाई अड्डे पर प्रकाश तंत्र हेतु आइसोलेटिंग ट्रांस-फार्मर की विशिष्टि	--	--	--
28. IS : 12292--1988 सोसा संवायक बैटरी हेतु लैड सबआक्साइड (लेड आक्साइड) की विशिष्टि	--	--	--
29. IS : 12316 (भाग 3/खंड 1)--1988 विद्युत प्रयोजनों हेतु गैर सैल्यु-सोजीय कागज की विशिष्टि भाग 3 एकल सामग्री की प्रेषणा खंड 1 कनेक्टर किया अभारित एरामेड (एरोमेटिक पालीएमाइड) कागज	--	--	--
30. IS : 12326--1987 7-बिट और 8-बिट कोडकृत लक्षण सैट-कोड प्रसार तकनीक	--	--	--
31. IS : 12342 (भाग 1)--1988 कच्ची समुद्रों खरपतवार की विशिष्टि भाग 1 एगरोफाइट	--	--	--
32. IS : 12370--1988 फटनशील चकती और फटन चकती युक्ति	--	--	--
33. IS : 12382--1988 तकनीकी ग्रेड टेप्राइफाल की विशिष्टि	--	--	--
34. IS : 12390--1988 सिरेमिक सीलिंग हेतु लौह निकल मिश्रधातु 36 की विशिष्टि	--	--	--
35. IS : 12391--1988 निप्रक्षित प्रसार वाली लौह निकल की सीलिंग मिश्रधातु की विशिष्टि	--	--	--
36. IS : 12404--1988 बालक ईंधन अंतः क्षेपण पम्प हेतु कपलिंग की विशिष्टि	--	--	--
37. IS : 12408--1988 खाद्य ग्रेड गम कराया की विशिष्टि	--	--	--
38. IS : 12414--1988 बुनाई मशीन की सुइयों के अन्तर्गत	--	--	--
39. IS : 12415--1988 औद्योगिक प्रयोग उद्देश्य पालीएमाइड डका की विशिष्टि	--	--	--
40. IS : 12420 (भाग 7)--1988 बलाकार श्रवण कनेक्टर की विशिष्टि भाग 7 सांकेट, दस कनेक्टर अद्दु टाईप 12420 IS -- 06	--	--	--
41. IS : 12426--1988 साइकिल के पुर्जों और स्पेयर पार्ट की लपेटन और पैकिंग की रीति संहिता	--	--	--
42. IS : 12437--1988 विस्फोटक और आतिशबाजी उद्योग में प्रयोग हेतु जर्कोनियम न्यून की विशिष्टि	--	--	--
43. IS : 12438--1988 डाइमिथाइल टरबैलेट की विशिष्टि	--	--	--
44. IS : 12439--1988 इण्डिया विद्यार्थी हेतु हस्ताक्षर विशानिर्देश की विशिष्टि	--	--	--
45. IS : 12446--1988 फाउंड्री में प्रयोग हेतु बेंडोनाइट की विशिष्टि	--	--	--
46. IS : 12448 (भाग 1)--1988 इलेक्ट्रानिक उपस्कर हेतु विद्युत यांत्रिक घटकों की आधारभूत परीक्षण प्रक्रिया और मापन विधियां भाग 1 सामान्य	--	--	--
47. IS : 12448 (भाग 2/खंड 1)--1988 इलेक्ट्रानिक उपस्कर हेतु विद्युत यांत्रिक घटकों की आधारभूत परीक्षण प्रक्रिया और मापन विधियां भाग 2 सामान्य जांच, विद्युतीय सततता और सम्पर्क प्रतिरोध परीक्षण विद्युत रोधन परीक्षण और मोल्टता विकृति परीक्षण खंड 1 सामान्य जांच	--	--	--
48. IS : 12448 (भाग 2/खंड 3)--1988 इलेक्ट्रानिक उपस्कर हेतु विद्युत यांत्रिक घटकों की आधारभूत प्रक्रिया और मापन विधियां भाग 2 सामान्य जांच विद्युतीय सततता और सम्पर्क प्रतिरोध परीक्षण विद्युत रोधन परीक्षण और मोल्टता विकृति परीक्षण खंड 3 विद्युत रोधन परीक्षण	--	--	--

इन मानकों की प्रतियां भारतीय मानक ब्यूरो, मानक भवन 9 बहादुरसाह जकर मार्ग, नई दिल्ली-110002 और औद्योगिक कार्यालयों: कलकत्ता, चण्डीगढ़, मद्रास तथा बम्बई और शाखा कार्यालयों: अहमदाबाद, बंगलौर, कोलकाता, भुवनेश्वर, गुवाहाटी, हैदराबाद, जयपुर, कानपुर, पटना और त्रिवेन्द्रम में विक्री के लिए उपलब्ध हैं।

New Delhi, the 28 May, 1990

S.O. 1730 :—In pursuance of clause (b) of Sub-rule (1) of Rule 7 of Bureau of Indian Standard Rules, 1987, the Bureau of Indian Standards hereby notifies that the Indian Standards(s), particulars of which are given in the Schedule hereto annexed, have been established on 1989-02-28

SHCHEDULE

S.O. 1731 :—In pursuance of clause(b) of Sub-rule (1) of Rule 7 of Bureau of Indian Standards Rules 1987, the Bureau of Indian Standards hereby notifies that the Indian Standard(s), Particulars of which are given in the Schedule hereto annexed, have been established on 1989-01-31

SCHEDULE

Sl. No.	No. Year and Title of the Indian Standard(s) Established	No. and year of the Indian Standard or Standards, if any, superseded by the new Indian standard	Remarks, if any
1.	IS : 54-1988 Specification for Green Oxide of Chromium for paints (Second Revision)	IS : 54-1973	
2.	IS : 690-1988 Method for Determination of colour fastness of Textile materials to sea water (First Revision)	IS : 690-1956	Established on 1988-12-31

(1)	(2)	(3)	(4)
3. IS : 767-1988 Method for determination of colour fastness of textile materials to water (First Revision)	IS : 767-1956	—	
4. IS : 973-1988 Method for determination of colour fastness of Textile materials to Soda Boiling (First Revision)	IS : 973-1956	—	
5. IS : 975-1988 Method for determination of colour fastness of textile materials to Sublimation (First Revision)	IS : 975-1956	—	
6. IS : 978-1988 Method for determination of colour fastness of textile materials to Carbonizing with sulphuric acid (First Revision)	IS : 978-1956	—	
7. IS : 981-1988 Method for determination of colour fastness of textile materials to acid milling (First Revision)	IS : 981-1957	—	
8. IS : 1293-1988 Specification for plugs & Socket-outlets of 250 volts and rated current upto 16 amperes (Second Revision)	1293-1967		Established on 1988-12-31 For purpose of BIS Certification Scheme IS : 1293-1988 shall come into force w.e.f. 1990-02-01.
9. IS : 1448 (P : 130)-1988 Method of test for petroleum and its products (P : 130) Determination of vibrated bulk density of calcined petroleum coke	—	—	
10. IS : 1471-1988 Specification for Ferrophosphorus (Second Revision)	IS : 1471-1972	—	
11. IS : 1991 (Part 1)-1987 Safety Requirements for the use, care and protection of abrasive grinding wheels Part 1 Definitions (Second Revision)	IS : 1991-1973	—	
12. IS : 1991 (Part 3)-1987 Safety, Requirements for the use, care and protection of abrasive grinding wheels Part 3 General machine requirements (Second Revision)	IS : 1991-1973	—	
13. IS : 2022-1988 Sepcification for calciumsilicon (Second Revision)	IS : 2022-1972	—	
14. IS : 2351-1988 Specification for marble stoppered Aerated water galss bottles (First Revision)	IS : 2351-1963	—	
15. IS : 3588-1987 Specification for electric axial Flow fans (First Revision)	IS : 3588-1966		Established on 1988-12-31
16. IS : 3603-1988 Specification for seamless Aluminium Bottles (First Revision)	IS : 3603-1966	—	
17. IS : 4141-1988 Specification for table tennis brackets (Second Revision)	IS : 4141-1978	—	
18. IS : 4385-1988 Specification for throwing hammers (First Revision)	IS : 4385-1967	—	

(1)	(2)	(3)	(4)
19. IS : 4386-1988 Specification for putting shots (First Revision)	IS : 4386-1967	For purposes of BIS Certification scheme IS : 4386-1988 shall come into force w.e.f. 89-06-16	
20. IS : 4410 (Part 10)-1988 Glossry of terms relating to river valley projects Part 10 Hydro-Electric power station including water conductor system (First Revision)	IS : 4410 (Pt. 10)-1969	—	
21. IS : 4481-1988 Specification for Duck-Bill pliers (First Revision)	IS : 4481-1968	Established on 1988-12-31	
22. IS : 4531 (Pt. 1)-1988 Specification for Swivels Part I General Requirements (First Revision)	IS : 4531-1968	—	
23. IS : 4614-1988 Specification for Hurdles (First Revision)	IS : 4614-1968	—	
24. IS : 5627-1987 Methods of measurement of radar and Oscilloscope cathode-Ray tubes (First Revision)	IS : 5627-1970	Established on 1988-10-31	
25. IS : 5776-1988 Specification for bulk water heater for use with LPG (First Revision)	IS : 5776-1970	Established on 1988-12-31	
26. IS : 7016 (Part 9)-1988 Methods of test for coated and treated fabrics Part 9 Determination of blocking resistance (First Revision)	IS : 7016 (Pt.9)-1981	—	
27. IS : 7157-1987 Specification for portable pneumatic grinding machines (First Revision)	IS : 7157-1974	Established on 1988-11-30	
28. IS : 7355-1987 Specification for spreader, rib, tuffler's pattern, adult size (First Revision)	IS : 7355-1974	Established on 1988-10-31	
29. IS : 7416 (Part 6)-1987 Dimensions for TV ferrite components Part 6 Beam centring magnet for deflection coil (First Revision)	IS : 7416 (Pt.6)-1976	Established on 1988-06-30	
30. IS : 8198 (Part 9)-1988 Code of practice for steel cylinders for compressed gases Part 9 Sulphurdioxide gas (First Revision)	IS : 8198 (Pt.9)-1980	Established on 1988-10-31	
31. IS : 8250-1988 Specification for foundry parting agents (First Revision)	IS : 8250-1976	Established on 1988-12-31	
32. IS 8535-1987 Bolts, Screws, Nuts & Accessories Terminology & Nomenclature (First Revision)	IS : 8535-1977	—	
33. IS : 8536 Fasteners—Bolts, Screws, Studs & Nuts—Symbols and Designation of Dimensions (First Revision)	IS : 8536-1977	Established on 1988-09-30	
34. IS : 8598-1987 Specification for idlers and idler sets for belt conveyors (First Revision)	IS : 8598-1987	For purposes of BIS Certification Scheme IS : 8598—1987 shall come into force w.e.f. 1989-09-01	

(1)	(2)	(3)	(4)
35. IS : 8928-1988 Specification for Chagul (First Revision)	IS : 8928-1978	—	—
36. IS : 8996-1988 Specification for 20-litre steel jerricans (First Revision)	IS : 8996-1978	—	—
37. IS : 9193-1988 Specification for bearing pullers (First Revision)	IS : 9193-1979	—	—
38. IS : 9200-1988 Methods of disposal of unserviceable compressed gas cylinders (First Revision)	S : 9200-1979	Established on 1988-12-31	—
39. IS : 9334-1986 Specification for Electric motor operated actuators (First Revision)	IS : 9334-1979	Established on 1987-03-31	—
40. IS : 9692—(Part 8 Sec 1)—1988 Guide on maintainability of equipment Part 8 Maintenance and Maintenance support planning Sec 1 General	—	—	—
41. IS : 9692 (Part 8 Sec 2)—1988 Guide on maintainability of equipment Part 8 Maintenance and maintenance support planning Sec 2 Maintenance support analysis	—	—	—
42. IS : 9980-1988 Guidelines or field performance and Haulage tests of power tillers (First Revision)	IS : 9980-1981	—	—
43. IS : 10124 (Part 4)—1988 Specification for Fabricated PVC fittings for potable water supplies Part 4 Specific requirements for caps (First Revision)	IS : 10124 (Pt.4)—1982	—	—
44. IS : 10810 Part 61)—1988 Methods of test for cables Part 61 Flame Retardant Test	—	—	—
45. IS : 11884-1986 Specification for Fire-resistant Brattice Sheeting made from unsupported plastics	—	Established on 1987-05-31	—
46. IS : 12125-1987 Specification for Benzotriazole, Photographic Grade	—	—	—
47. IS : 12166-1987 Specification for Ratchet Screw-drivers	—	Established on 1988-03-31	—
48. IS : 12172-1987 Specification for distraction cervical collar	—	—	—
49. IS : 12258-1987 Technical Supply condition for air screw compressors (Oil flooded) for General purpose and Industrial applications	—	Established on 1988-07-31	—
50. IS : 12259-1987 Safety requirements for Skipoles	—	—	—
51. IS : 12274-1987 Safety requirements for Electronic flash apparatus for photographic purposes	—	Established on 1988-12-31	—
52. IS : 12291-1987 Specification for constant current regulators for airport lighting systems	—	—	—
53. IS : 12295-1988 Test Chart for External cylindrical centreless grinding machines	—	Established on 1988-12-31	—

(1)	(2)	(3)	(4)
54.	IS : 12316(Pt. 2)-1988 Specification for non-cellulosic papers for electrical purpose Part 2 methods of test	---	---
55.	IS : 12371-1988 Technical requirements for single acting telescopic tipping cylinders for agricultural trailers	---	Established on 1988-12-31
56.	IS : 12378-1988 Method for Macroetch test for titanium alloys	---	Established on 1988-11-30
57.	IS : 12381-1987 Method of determination of coal (Char) Reactivity for direct reduction processes	---	Established on 1988-12-31
58.	IS : 12383-1988 Specification for Tetradifon EC	---	---
59.	IS : 12393-1988 Specification for electroplated coatings of nickel	---	---
60.	IS : 12396-1988 Specification for Paddy cleaner	---	Established on 1988-12-31
61.	IS : 12399-1988 Specification for tripod stands	---	---do---
62.	IS : 12400-1988 Code of practice for selection of Electro-Magnetic feeder	---	---do---
63.	IS : 12402 (Pt 1)-1988 Specification for mobile containers for solid waste Part 1 General Characteristics	---	---
64.	IS : 12403-1988 Specification for Spanners for Conveyors Belt-Fasteners	---	---
65.	IS : 12413-1988 Specification for Wooden Jointer for two-men cross cut saws	---	Established on 1988-10-31
66.	IS : 12416-1988 Specification for Polyester Cotton belting duck	---	---
67.	IS : 12418 (Pt. 1)-1987 Specification for Intra-Uterine Contraceptive devices, Part I general requirements	---	---
68.	IS : 12418 (Pt 4)-1987 Specification for Intra-Uterine Contraceptive devices Part 4 Copper-T (200 B)	---	---
69.	IS : 12421-1988 Performance verification of liquid scintillation counting systems	---	---
70.	IS : 12425-1988 Dimensions for Steeplechase hurdles	---	---
71.	IS : 12440-1988 Specification for precast concrete stone masonry blocks	---	---
72.	IS : 12450 (Pt. 1)-1988 Steel headframes of mines Part 1 Principles of load computation of applicable Factors of safety	---	---
73.	IS : 12455-1988 Performance Requirements of Air-cooled spark Ignition automotive engines	---	---

(1)	(2)	(3)	(4)
74.	IS : 12471-1988 Dimensions for length of hands — for clocks		

Copies of these Indian Standards are available for sale with the Bureau of Indian Standards, 9 Bhadur Shah Zafar Marg., Manak Bhavan, New Delhi-110002 and Regional Offices Bombay, Calcutta, Chandigarh and Madras and also from its branch offices: Ahmedabad, Bangalore, Bhopal Bhubaneswar, Guwahati Hyderabad, Jaipur, Kanpur, Patna and Trivandrum.

[No. CMD/13 : 2]

नई दिल्ली, 29 मई, 1990

का.मा. 1731:—भारतीय मानक ब्यूरो नियम, 1987 के नियम 7 के उपनियम (1) को खंड (ख) के अनुसरण में भारतीय मानक ब्यूरो एनड द्वारा अधिसूचित करता है कि जिस/जिन भारतीय मानक/मानकों का/के विवरण नीचे अनुसूची में दिया गया है/हिए गए हैं, बसु/के विनोद 1989-03-31 को स्थापित हो गया है/हो गए हैं।

अवकाश

नई दिल्ली, 28 मई, 1990

का.प्र.1733:--औद्योगिक विवाद अधिनियम, 1947 (1947 का 14) की धारा 17 के अनुसरण में, केन्द्रीय सरकार, स्टैंडर्ड चार्टर्ड बैंक के प्रबंधन के संबंध में निम्नलिखित और उनके कर्मचारियों के बीच, अनुबंध में निम्नलिखित औद्योगिक विवाद में केन्द्रीय सरकार औद्योगिक अधिनियम, 1947 के प्रावधानों को प्रकाशित करती है, जो केन्द्रीय सरकार को 25 मई, 1990 को प्राप्त हुआ था।

MINISTRY OF LABOUR

New Delhi, the 28th May, 1990

S.O. 1733.—In pursuance of Section 17 of the Industrial Disputes Act, 1947 (14 of 1947) the Central Government hereby publishes the following award of the Central Government Industrial Tribunal Kanpur as shown in the Annexure in the industrial dispute between the employers in relation to the management of Standard Chartered Bank and their workmen, which was received by the Central Government on 25-5-1990.

ANNEXURE

BEFORE SHRI ARJAN DEV PRESIDING OFFICER
CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL
KANPUR

Industrial Dispute No. 86 of 1986

In the matter of dispute between :

The President, U.P. Bank Karamchari Sangh 26/104
Birhana Road Kanpur.

AND

The Manager Standard Chartered Bank M.G. Marg
Kanpur.

AWARD

1. The Central Government, Ministry of Labour, New Delhi, vide its Notification No. L-12012/139/85-D.IV (A) dated 15/19-11-1986, has referred the following dispute for adjudication to this Tribunal :

Whether the action of the Manager, Standard Chartered Bank Kanpur in denying seniority to Shri Hori Lal, peon w.e.f. 1-1-72 and promotion to special allowance carrying post of Daftari w.e.f. October, 1982 is fair justified and legal? If not, to what relief the concerned workman is entitled?

2. In this case, the cross examination of the management witness was concluded on 28-2-89 and cross examination of the workman was concluded on 1-8-89. Thereafter the case was fixed for arguments on 28-8-89. After seeking adjournments, on some of the dates, the workman examined Shri V. N. Sekhari, as a witness, thereafter the case was fixed again for arguments. As will be evident from the order sheet adjournments were sought by one party or the other. Today's date is fixed for further orders. The workman has moved an application with the prayer to close the case and sent a no claim award. In the application it is alleged that his case was espoused by U.P. Bank Karamchari Sangh on the point of seniority allowance. It is further alleged by him that now he has no dispute left with the management of the bank as regards the said seniority allowance. The application is also signed by Shri Sekhari in his capacity as President of the said Sangh. The signatures of workman Shri Hori Lal have been identified by Shri M. Lal Advocate. Shri R. B. Mahajan has appeared for the management and he has no objection to the application being allowed.

3. Hence according to the facts stated in the application, no dispute is left. As such a no dispute award is given in the present case.

4. Reference is answered accordingly.

ARJAN DEV, Presiding Officer
[No. L-12012/139/85-D.IV (A)]

का.प्र.1734:--औद्योगिक विवाद अधिनियम, 1947 (1947 का 14) की धारा 17 के अनुसरण में, केन्द्रीय सरकार भारतीय स्टेट बैंक के प्रबंधन के संबंध में निम्नलिखित और उनके कर्मचारियों के बीच, अनुबंध में निम्नलिखित औद्योगिक विवाद में केन्द्रीय सरकार औद्योगिक अधिनियम, 1947 के प्रावधानों को प्रकाशित करती है, जो केन्द्रीय सरकार को 24 मई, 1990 को प्राप्त हुआ था।

कारण, व श्रम न्यायालय जबलपुर के पक्षों को प्रकाशित करती है, जो केन्द्रीय सरकार को 24 मई, 1990 को प्राप्त हुआ था।

S.O. 1734.—In pursuance of Section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby published the following award of the Central Government Industrial Tribunal cum Labour Court, Jabalpur as shown in the Annexure in the industrial dispute between the employees in relation to the management of State Bank of India and their workmen, which was received by the Central Government on 24-5-90.

APPEARANCES :

For Workman—Shri D. P. Tiwari.

For Management—Shri B. G. Garg.

INDUSTRY : Banking DISTRICT : Jabalpur(M.P.)

AWARD

Dated : May 16th, 1990

This is a reference made by the Central Government, Ministry of Labour, vide its Notification No. L-12012/573/86-D.II(A) dated 25-9-1987, for adjudication of the following dispute :—

"Whether the action of the management of State Bank of India Jabalpur in terminating services of Shri Hanuman Prasad Agarwal Ex-Messenger w.e.f. 23-1-83 is justified? If not, to what relief the concerned workman entitled?"

2. Undisputed facts of the case are that the workman, Hanuman Prasad Agarwal S/o Shri Suraj Prasad Agarwal, was employed at Garha Branch of State Bank of India and performed duties of Messenger-cum-Furrash. He worked from 3-5-1982 to 23-1-1983. His services were terminated. It has not been challenged that S/Shri Satish Kumar Pathak Rajendra Kumar and Ramu were engaged one after the other after he was discontinued from service.

3. The case of the workman in brief is that the workman performed duties of a Messenger-cum-Furrash with effect from 3-5-1982 and he continued to serve in this capacity upto 23-1-1983. Thereafter he was not permitted to continue in service despite his repeated requests, and the management continued to engage fresh hands in gross disregard to the principles of natural justice and contrary to the provisions of Industrial Disputes Act, Sastri Award and the Bipartite Agreement and Settlement. Thus the management knowingly violated the term no. 5 of the Settlement dated 15-2-85 which clearly stipulates that all such of the employees who had worked for 90 days or more would only be offered employment. But, in the instant case, the management, instead of offering the employment to the workman concerned, employed other persons. The workman has been stopped from work by the management not on account of any fault on his part but because of the action of the management who have caused deliberate breaks with an ulterior motive to deprive the workman of the benefits of permanency which amounts to an unfair labour practice. Thus the workman is entitled to get relief of continuity of service within the meaning of Section 25B of the I.D. Act because the management had deliberately discontinued service from time to time and the workman is not responsible for such forced cessation of work. It amounts to illegal retrenchment as per Sec. 2(oo) read with Sec. 25B of the I.D. Act. Workman is, therefore, entitled to all the benefits of continuity of service with full back wages and ancillary reliefs such as leave, medical aid, leave encashment, bonus as per terms and conditions of service of sub-staff employed by the Bank.

4. According to the management, the workman was employed as purely temporary messenger-cum-furrash on daily wages from August 1982 to March, 1983. During this period he only worked for a total period of 96 days as a Messenger-cum-Furrash. He was also employed from May, 1982 to July, 1982 on daily wages for purposes of sprinkling water of khas tatties. In the month of April, 1983 he was again employed for the same job. Thus the workman worked as Messenger-cum-Furrash for 96 days and as khas tatties man for 64 days during the aforesaid period. The details of his employment in the said two capacities are as follows:—

Month	No. of days worked as Mess. cum- Furrash	No. of days worked as khas tatties.
May 82	-	23
Jun. 82	-	26
July 82	-	26
Aug. 82	21	-
S-p. 82	25	-
Oct. 82	10	-
Nov. 82	07	-
D-c. 82	10	-
Fev. 82	10	-
March 83	10	-
April 83	-	11
	96	64

5. The workman is found to have worked in the Canteen for 66 days during September, 1982 to April, 1983 as Canteen Boy. The Canteen being not under the management of the State Bank of India, those days cannot be counted as the working period under the management of State Bank of India. Since he was on daily wages, he had no legal status to continue in the employment of the Bank and he was accordingly put off the employment.

6. However, in terms of the Settlement reached with the Federation dated 15-2-1985 the workman was given a chance to face a regular selection. He appeared before the Selection Board on 28-4-1986 but failed in the interview and he was accordingly advised. Thus his services could not be continued and came to an end.

7. The management has denied that the workman was employed or had been performing the duties of Messenger-cum-Furrash with effect from 3-5-1982 and continued till 23-1-1983. He was kept on Rs. 5 per day on daily wages for khas tatties purpose and during May to July, 1982 he worked as khas tatties man. He never worked as Messenger during the aforesaid period. The workman did not at all work in January, 1983. He however worked for 10 days in February and for 13 days in March, 1983. He was given an opportunity for regular employment and was given a chance to appear before the Selection Board but he did not succeed and therefore it cannot be said that he was not given an opportunity for employment. The management did not violate the terms of settlement. It has been denied that he was deliberately denied the work. Management was free to discontinue his services because he was a daily wage earner. The contract therefore commences in the morning and terminates in the evening. No provisions of law have been violated. He has not completed 240 days of continuous service at any time and is not entitled to the protection under the I.D. Act. The reference is, therefore, liable to be rejected.

8. The management has examined himself in support of its case while the workman has examined himself.

9. It may be pointed out that according to the workman he worked upto 23-1-1983 while according to the management the workman worked from February, 1982 to April, 1983 as detailed in the above Schedule.

10. It is true that though the workman has denied that he was a daily wage earner but from his own statement it can be very well gathered that he was employed on daily wages from time to time. There is no evidence on record to show that his services were deliberately discontinued by the management to defeat the provisions of law. Thus it cannot be said that he was illegally discontinued from service.

But it is not a disputed fact that certain persons were employed in his place from time to time by the management after his services were discontinued. According to the management, the applicant workman could not be taken in service because he was asked to face the interview but he could not succeed and therefore his services could not be continued.

11. From the pleadings of the management it is evident that the applicant workman was to be given a chance for regular selection in terms of the settlement reached with the Federation dated 15-2-1985 (para 3).

12. There is, however, no evidence on record that the workman was given opportunity to face the regular selection and he appeared before the Selection Board on 28-4-1986 and because he failed in the interview his services were discontinued. Nor even a question was suggested to the workman in this regard in his cross-examination. That being so, it can be said from the pleadings of the management itself that there has been violation of the terms of the aforesaid Settlement. That being so, stoppage of his services either from 23-1-1983 or since April, 1983 as pleaded by the management is not in accordance with the settlement arrived at between the parties and therefore the applicant workman is entitled to regular appointment in the cadre to which he is entitled from this date with no consequential relief.

13. I need not go into other aspects of the case and as such the reference is answered as follows:—

The action of the management of State Bank of India, Jabalpur in terminating services of Shri Hanuman Prasad Agarwal, Ex-Messenger w.e.f. 23-1-1983 or since March, 1983 as pleaded by the management is not justified. He is entitled to reinstatement in service to the cadre to which he was entitled after selection as pleaded from the date of his award. He is not entitled to any other relief. No order as to costs.

V. N. SHUKLA, Presiding Officer

New Delhi, the 30th May, 1990

S.O. 1735.—In pursuance of Section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby published the following award of the Central Government Industrial Tribunal-Cum-Labour Court Chandigarh, as shown in the Annexure in the industrial dispute between the employers in relation to the management of State Bank of Patiala and their workmen, which was received by the Central Government on 29-5-1990.

ANNEXURE

BEFORE SHRI ARVIND KUMAR, PRESIDING OFFICER,
CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL-
CUM-LABOUR COURT, CHANDIGARH
Case No. I. D. 81/85

Employers in relation to the management of State Bank of Patiala.

AND

Their workman : Smt. Krishna Sharma
For the workman—Shri T. C. Sharma.
For the management—Shri P. C. Sood,

INDUSTRY : Banking

STATE : Punjab

AWARD

Central Government vide gazette notification No. S.O. No. L-12012/296/84-D.II (A) dated the 8th July 1985 issued U/S 10(1)(d) of the I. D. Act 1947 referred the following dispute to this Tribunal for decision on a dispute raised by Shrimati Krishna Sharma.

"Whether the action of the management of State Bank of Patiala, Head Office Patiala in terminating the services of Smt. Krishna Sharma, Cashier-cum-Clerk is justified? If not, to what relief is the workman concerned entitled?"

2. Present case was taken up in the Lok Adalat. The parties have settled their dispute. Mr. P. C. Sood, Manager Industrial Relation State Bank of Patiala has made statement that the present case has been settled on the terms that Smt. Krishna Sharma will be re-instated in service without back wages but with continuity of service. However continuity shall be available for retirement purpose only and not for seniority and promotion. She will also be given six increments from the date of joining for the purpose of fixation of pay. However no arrears will be paid and the seniority will be available from the actual date of joining after this settlement and the orders shall be issued within 15 days. Mr. T. C. Sharma rep. of the workman has agreed to the terms of settlement stated above.

3. In view of the above terms the dispute is settled a No Dispute Award is returned.

ANNEXURE

IN THE LABOUR COURT, ERNAKULAM

Wednesday, the 16th day of May, 1990

PRESENT :

Shri R. Ravendran, B.A., B.L. Presiding Officer,
Industrial Dispute No. 91 of 1987 (C)

BETWEEN

The Management of State Bank of India, represented by the Chief Regional Manager, State Bank of India, Regional Office, Post Box No. 2597, Ernakulam, Cochin-682031.

AND

Their workmen represented by the General Secretary, State Bank Workmen Staff Union, 62-A Gengu Street, Egmore, Madras-60008.

REPRESENTATIONS :

Shri B. S. Krishnan, Advocate, Cochin-16—For Management.

Sri M. Ramachandran, Advocate, Cochin-17—For Union.

AWARD

The industrial dispute between the above parties was referred to this Court for adjudication by the Government

of India, Ministry of Labour, New Delhi as per Order No. L-12012/600/86-D.II (A) dated 4-11-1987. The issue covered by the reference is as follows :—

"Whether the action of the management of the State Bank of India in imposing the punishment of dismissal on Sri E. Vijayachandran, Head Clerk, Parappanangadi branch w.e.f. 22-4-85 is justified? If not, to what relief is the workman concerned entitled?"

II. The dismissal was after a domestic enquiry. The validity of the domestic enquiry was tried by me as a preliminary issue. I have found as per my order dated 26-12-1989 that the domestic enquiry was not proper. That order contains necessary facts. So it is extracted hereunder in full :—

"PRELIMINARY ORDER

The issue referred for adjudication to this Court by the Government of India, Ministry of Labour, New Delhi for adjudication is the following :—

"Whether the action of the management of the State Bank of India in imposing the punishment of dismissal of Sri E. Vijayachandran, Head Clerk, Parappanangadi branch w.e.f. 22-4-85 is justified? If not, to what relief is the workman concerned entitled?"

2. The workman has filed a claim statement stating as following :

The workman had been dismissed from service by order dated 9-2-85. The punishment was shockingly disproportionate to the nature of allegations. Even since his suspension from 19-10-1983, the workman is out of employment. Disciplinary proceedings were purportedly initiated against him under paragraph 521 of the Sastry Award. There were five allegations raised against him. The first three related to the alleged misuse of his savings bank account. The fourth charge related to deletion of an entry in the register. The fifth charge related to issuance of a cheque. By way of his reply dated 23-12-83, the workman had explained in detail the circumstances in which the incidents occurred. On 1-8-84 an enquiry notice was given to him. In the enquiry no witnesses were examined by the prosecution and no documents marked. On behalf of the workman it had been contended that the proceedings does not have the semblance of an enquiry as was commonly understood. As the prosecution did not want any opportunity to substantiate the charges, no further sittings were conducted. Strangely, the enquiry officer drew up his findings holding that there was sufficient evidence to show that the employee was guilty of all the allegations except charge No. 3. The findings were on surmises and conjectures. The enquiry report is therefore unsustainable and perverse. The procedure adopted was irregular and in violation of principles of natural justice. An award may be passed holding that the action of the management in imposing the punishment of dismissal on the workman was not justified.

3. The Management has filed a counter statement confuting as follows :—

The claim statement filed by the workman is not maintainable in law and he is not competent to file the same. The industrial dispute is raised as a dispute under Section 2(k) of the I. D. Act and this cannot be converted as a dispute under Section 2-A of the I. D. Act. The workman was charge-sheeted as per the memo of charges dated 18-11-1983. The charges were the following :—

(i) He has been misusing his savings bank account with the Bank and he was issuing cheques to staff members on his account within keeping sufficient balance in his account. The following cheques negotiated by Sri C. K. Haridas at Tirur Branch which were drawn on his account at Calicut branch has evidenced the following facts :—

Date on which discounted.	Particulars of the Instrument	Amount Rs.	Balance on the date of negotiation.
31-1-81	Cheque No. 820615	2,400/-	127.31
18-3-81	No. 60. 846404	2,000/-	3.55

- (ii) All the debits mentioned above has not so far been responded to by the Calicut Branch till 8-11-83. Thus he has misappropriated an amount of Rs. 4,400 and has caused loss to the management to this extent.
- (iii) He has caused disappearance of the cheques reported to in the first charge.
- (iv) On 16-3-81, an originating schedule dated 12-3-81 for Rs. 300 together with the enclosures received from Kunnamkualam ADB were entered in the No. 6 register at Calicut branch. Subsequently, he has deleted the entry under his authentication. The originating debit has not been responded to by the Calicut branch till 18-11-83. The instrument so deleted represented a withdrawal slip for Rs. 300 dated 12-3-81 drawn by Sri M. K. Sadasivam, Head Clerk at Calicut branch and negotiated by him at Kunnamkualam ADB.
- (v) A cheque bearing No. 602675 dated 30-6-83 for Rs. 1,000 issued by him has been returned by Calicut Branch on 24-8-83 for want of sufficient balance in his account.

In answer to the charges he has submitted an explanation on 23-12-83. This was not satisfactory to the Management and therefore an enquiry was decided to be conducted into the matter, and an enquiry officer was appointed. The enquiry officer has conducted the enquiry in compliance with the principles of natural justice. In the enquiry the employee admitted the 1st, 4th and 5th charges. The enquiry officer has submitted a report finding that the employee is guilty of all charges except the third charge. Accepting the report of the enquiry officer, the workman was dismissed from service. In any case the Court comes to a conclusion that the enquiry was defective, the Management may be permitted to substantiate the charges by adducing fresh evidence. The enquiry report is not perverse in any manner. The gravity of the proved misconducts deserved the punishment of dismissal. An award may be passed in favour of the Management.

4. The workman has filed a rejoinder reiterating his claims in the claim statement and refuting the contentions in the counter-statement filed by the Management.

5. The points that arise for consideration are whether the enquiry conducted by the enquiry officer is legal and proper and whether the findings entered into by the enquiry officer are supported by legal evidence.

6. The delinquent was an employee in the management Bank. While he was working as Head Clerk of Parappanangadi Branch, Calicut of the State Bank of India a memo of charge was served on him calling for his explanation and he submitted his explanation. Not satisfied with the explanation submitted by the workman, the Management ordered a domestic enquiry by appointing an enquiry officer, who conducted the enquiry into the charges and filed his report with a finding that the delinquent is guilty of charges except charge No. 3. Accepting the findings of the enquiry officer the Management dismissed the delinquent from service. The workman is challenging the domestic enquiry on the grounds that the domestic enquiry was not conducted following the principles of natural justice, that he was not given sufficient opportunity of being heard, that the evidence relied on by the enquiry officer was not properly proved and that he was not given an opportunity to cross-examine the witnesses of the Management.

7. The domestic enquiry officer was examined as WW-1. He would depose that he has not examined any witness to

prove the documents as he felt that the entries in the registers are sufficient to prove the charges levelled against the workman. It is pertinent to note that the charges levelled against the delinquent include misappropriation, a serious misconduct. Therefore it is just and fair to give an opportunity to the workman to raise his defence by cross-examining the witnesses who prove the accounts for showing that the workman has committed misappropriation of the funds of the bank. Mere perusal of the entries in the accounts is not sufficient to enter into a finding that the delinquent has committed misappropriation of the Bank's fund. The delinquent should be given chance to cross-examine the witnesses who prove misappropriation by showing the relevant entries in the accounts. It is also to be remembered that regarding charge No. 4 the evidence of the delinquent is that it was done in good faith and without any mala fide intention. It is true that he has accepted the first charge which relates to the issue of a cheque without keeping sufficient balance. It is also true that the employee has accepted the factual position with regard to charge No. 5. But in view of the fact that the Management has not proved the misappropriation by examining the witnesses and by giving opportunity to the delinquent to cross-examine them, I hold that the enquiry is vitiated by the non-compliance of the principles of natural justice and fair-play. Therefore I find that the enquiry conducted by the enquiry officer is not legal and proper. It follows that the findings entered into by the enquiry officer are also not legal and correct.

8. The Management in its counter statement has made a request that they should be permitted to substantiate the charges by adducing fresh evidence before this court in case the enquiry is found to be defective by the Court. So the Management is allowed to adduce fresh evidence before this court to substantiate the charges against the workman, especially charge Nos. 2, 3 and 4.

9. In the result it is hereby found that there was no proper and valid domestic enquiry and that the findings of the enquiry officer are also invalid."

III. The Management had attempted to substantiate its case by fresh evidence before this court after the above order. One witness was examined as MW-2 in that attempt and Exts. M-2 and M-3 were also marked.

IV. The Manager (Personnel), Banking Division in Calicut during 1979 to 1983 was examined as MW-2. He would depose as follows :—

Vijayachandran was clerk during the period 1979 to 1983. He issued a cheque to Haridas to discharge his personal liabilities. The cheques were discounted and money was received by Haridas on 31-1-1981 and 18-3-1981. After issuing the cheques Vijayachandran has not followed up the fate of the cheques. Transaction relating to 16-3-81 was entered on page 24 of Schedule No. 6 register. The 13th item on 6-3-1981 was deleted under authentication of Vijayachandran, the Head Clerk. When an entry is cut and deleted the usual procedure is to make brief remarks against the particular entry and it should be brought to the notice of the Branch Manager. Here no remarks have been recorded and this cannot be returned to the drawer but it should be returned only through the originating Branch. Chandrasekharan was the Branch Manager during the relevant period. He is in service now. He is presently the Chief Inspector in the Training Centre. In the cross-examination he would depose that the allegation against the workman was that he issued two cheques to another employee and at Tirur Branch he discounted the cheques. Haridas is the primary responsible and drawer is also responsible. The amount covered by the two cheques were subsequently remitted in the Bank and he was not aware as to whether the two cheques had reached in the Calicut Branch in due course.

V It can be seen from the explanation submitted by the delinquent and the defence submitted in respect of the enquiry into the charges held against the delinquent that the employee has admitted the factual position in regard to charge No. 1 that he has been misusing his savings bank

account with the Bank and he was issuing cheques to staff members on his account without keeping sufficient balance in his account. The second charge is a serious charge which says that all the debits mentioned above have not so far been responded to by the Calicut Branch till 8-11-83 and thus he has misappropriated an amount of Rs. 4,400 and has caused loss to the management to this extent. The delinquent was the drawer of the cheque. The drawer of the cheque can never be accused of misappropriation unless he also happens to be the payee. In this case the payee is not the charged employee and he has not requested the Bank to discount the cheque in question. There is absolutely no evidence in this case to show that the delinquent has received the proceeds of the discounted cheques and according to the charge-sheet itself Sri Haridas is the person who has encashed the cheques by discounting them. Sri. Vijayachandran has remitted the money with interest when a demand was made by the Bank. So the Bank has not suffered any loss also. In these circumstances it has to be held that the Management has not succeeded in proving that the delinquent has committed the misconduct of misappropriation. Therefore I find that the delinquent workman is not guilty of charge No. 2.

VI. Charge No. 3 is that Sri Vijayachandran has caused disappearance of the cheques reported to in the first charge. There is no satisfactory evidence in this case to prove that the delinquent has caused the disappearance of the cheques referred to in the charge. In the absence of satisfactory evidence I hold that the Management has failed to substantiate this charge also and hence I find that the delinquent is not guilty of charge No. 3.

VII. Charge No. 4 and 5 are admitted by the delinquent on factual position. But it was contended that it was done in good faith and without any mala fide intention. As regards Charge No. 4 he admits that he has deleted the entry under his authentication. The evidence of MW? would go to show that the delinquent has not made remarks against the entry and he has not brought the same to the notice of the Manager. There is no evidence in this case to show that he had any mala fide intention for doing this deletion in the entry. Therefore it has to be held that the delinquent has deleted the entry under the authentication in good faith and with bona fide intention. Therefore I hold that charge No. 4 is also not a misconduct committed by the delinquent.

VIII. In the light of the above discussion I hold that delinquent is not guilty of charge Nos. 2, 3 and 4, but he is guilty of charge Nos. 1 and 5.

IX. The question now remains to be considered is regarding the propriety and legality of the punishment of dismissal imposed on the delinquent workman. The learned counsel for the workman would argue that the punishment of dismissal imposed on the delinquent is disproportionate to the gravity of the misconduct and therefore the order of dismissal from service cannot be justified. But the learned counsel for the Management would argue that the misconduct committed by the delinquent deserves the punishment of dismissal and therefore no interference in the punishment by the court under Sec. 11-A of the I.D. Act is called for. But it is pertinent to note that it is an established principle of industrial law that the punishment should be commensurable with the misconducts proved. The misconducts proved in this case are that he had issued cheques for the amount in excess of balance amount in his account. This cannot be considered to be a serious misconduct warranting the punishment of dismissal from service. Taking into consideration the entire facts and attendant circumstances of the case I am of opinion that justice will be met if the workman is reinstated in service without back wages but with continuity of service.

X. In the result an award is passed directing the Management to reinstate the workman Sri E. Vijayachandran in service without back wages but with continuity of service.

New Delhi, the 25th May, 1990

S.O. 1737.—In pursuance of Section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the award of the Central Government Industrial Tribunal Kanpur as shown in the Annexure, in the industrial dispute between the employers in relation to the management of Employees State Insurance Corporation, and their workmen, which was received by the Central Government on 24-5-90.

ANNEXURE

BEFORE SHRI ARJAN DEV PRESIDING OFFICER
CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL-
CUM LABOUR COURT, PANDU NAGAR, KANPUR
Industrial Dispute No. 163 of 1988
In the matter of dispute between

Shri Ram Swarup,

C/o Sh. Om Narain Sahu,

F 3351 Rajajipuram Colony,

Lucknow.

AND

The Manager,

Employees State Insurance Corporation,

Local Office Nake Hindola, Lucknow.

AWARD

1. The Central Government, Ministry of Labour, vide its notification No. L-15012/1/88-D.II(B)/D.III(B) dated 1-12-88 has referred the following dispute for adjudication to this Tribunal for adjudication :

"Whether the Manager, Employees State Insurance Corp. Lucknow (Local Office) was justified in terminating the services of Shri Ram Swarup son of Shri Mahaveer as Peon w.e.f. 23-10-86? If not, to what relief the workman is entitled to ?

2. The workman's case is that he was appointed as a peon (Chaprasi) on 17-5-73, by the management without issuing any letter of appointment in his name. In 1976, the management, started issuing letters of appointment, each for 3 months. After 1-6-82, the management stopped issuing letters of appointment in his name, although he continued working as a peon before. The workman has worked continuously without any break from 17-5-73 to 23-10-76. From 24-10-86 his services were terminated by the management without any notice or notice pay and retrenchment compensation. On 30-12-86, he gave a notice to the management demanding his reinstatement but in vain. At the time of termination of his services persons junior to him were retained in services by the management. He used to be paid wages at the rate of 350 per month against vouchers. The

order of termination being illegal and void he is entitled to reinstatement with full back wages and continuity of service.

3. The management plead that Shri Ram Swarup was never appointed as a peon by them. He was engaged as a part-time water boy on daily wages system on a contracted payments of Rs. 2 per day. His only work was to bring and store drinking water in the office of ESI corporation (hereinafter referred to as Corporation). During 1975-76 and 1981-82 on account of transfer of peon of the Corporation, the workman was appointed on the post of peon on daily wage system during the following periods.

1. 19-9-75 to 10-10-75
2. 16-10-75 to 15-11-75
3. 19-11-75 to 19-12-75
4. 22-12-75 to 22-1-76
5. 27-1-76 to 26-2-76
6. 1-3-76 to 26-3-76
7. 12-4-76 to 6-5-76
8. 30-10-81
9. 11-12-81 to
10. 1-2-82 to
11. 1-4-82 to
12. 1-6-82 to

He never worked as a regular employee of the Corporation for 240 days in any year. He was paid wages through vouchers whereas regular employees were paid wages from pay rolls. His services were dispensed with from 24-10-86. It was needless to issue any order of termination to him. The receipt of the notice is admitted by the management. According to the management, he having worked as a part-time water carrier except during the period mentioned above, was not entitled to any notice or notice pay and retrenchment compensation. The question of seniority and juniority also does not arise in his case.

4. The management further plead that his play for regularisation as whole time employee is not tenable as he was never paid the wages of a regular and whole time employee. The other plea raised by the management are that the reference is bad in law; that he is not a workman under the provisions of the I.D. Act; that the present dispute is not a industrial dispute; and that the present dispute is beyond the jurisdiction of this Tribunal.

5. In his rejoinder, Shri Ram Swarup has alleged that he had been giving duty from 10 a.m. to 5 p.m. and on some of the days the management have taken from him work even beyond 5 p.m. No other new fact has been alleged by him in the rejoinder.

6. In support of his case, the workman has filed his own affidavit and a number of documents, on the other hand, in support of their case, the management has filed the affidavit of Shri K. Mishra, Dy. Regional Director and one document with which the workman was confronted during the course of his cross examination by the authorised representative for the management.

7. Ext. W-1 and Ext. W-2 to W-5 are copies of office orders dt. 23-10-75, 23-12-75, 7-2-76 and 19-3-76 respectively. From these office orders it appears that Shri Ram Swarup was appointed as peon from 16-10-75 to 15-11-75, 22-12-75 to 21-1-76 (periods specifically corrected by means of corrigendum dt. 29-1-76 copy Ext. W-3 from 22-12-75 to 22-1-76), 27-1-76 to 26-2-76 (F.N.) and 1-3-76 to 31-3-76 (F.N.). In all these office orders it was specifically stated that on the expiry of the period his services would stand terminated. It was further made clear in this order that such appointments would not give him any right for regular appointment.

8. Ext. W-7 to Ext. W-10 are copies of office orders dt. 1-12-81, 1-2-82, 1-4-82 and 1-6-82 respectively. By means of these office orders on his application he was appointed as messenger (Aadeshpal) on daily wages. It was stated in each of these office orders that his services would be liable to termination at any time without any notice. Further in the first office order he has been described as water carrier.

9. In his cross examination it has been deposed by the workman that his duties were to serve water, distribute dak,

clean furnitures and take books from one place to another place. He has admitted that through out his service he remained posted in the pay office of the corporation at Lucknow. He has given the strength of the pay office as one officer, one head clerk, one cashier, 3-4 clerks and two class IV employees besides him. According to him some time there remained only one class IV employee. Another fact stated by him in his cross examination is that right from the beginning till the end he was getting wages at the rate of Rs. 350 per month. He has denied the suggestion that his sole job was to bring water for office. He has also denied the suggestion that during September and October 1986 he had paid wages at the rate of Rs. 60 per month. He admitted that he was paid wages against vouchers, whereas regular employee got salary from pay rolls. He was confronted with voucher dt. 28-11-86 by the authorised representative for the management. He admitted his signatures on the said voucher. The authorised representative for the management has filed the photostat copy of the said voucher.

10. On the other hand the management witness has stated in his affidavit that primary engagement of the workman was as a water boy. He worked as an employee of the corporation during the periods 1975-76 and 1981-82 for limited periods. With effect from July 1982 to 23-10-86 his job had been that of a part time water boy in para 26 of the affidavit it is stated by the management witness that the claimant has been working in other establishment on better emoluments without naming the establishment. Then in para 33 he has deposed that the workman was appointed on daily wage system to bring water on a consolidate payment of Rs. 2 per day. In para 37 of his affidavit he has deposed that he was never paid wages at the rate of Rs. 350 per month and in para 54 he has stated that the statement of the workman in cross examination that he was getting consolidated wage of Rs. 350 per month is an burning example that he was not appointed as peon till 24-10-86 and had not been worked on any such post. In para 36 he has deposed that activities of the corporation are regulated under laws, by laws, Rules, Regulations & Administrative Instructions. Therefore, there is nor was any occasion to ignore the labour laws. In para 41 he has said that in the instant case, the provisions of sections 25G & H of the Act have no application.

11. In his cross examination, he has deposed that from a peon the work of supplying water to the members of the staff is not taken. He was then questioned about payment voucher dt. 28-11-86. About it he has said that in the voucher there is no mention of the word Salary. He has also said to a question put to him that for payment of conveyance charges such an voucher is not used. According to him dues of the workman were paid by these vouchers.

12. The voucher shows that Rs. 48 were paid to the workman on account of water charges for the month of October 1986 upto 24-10-86. In the voucher the workman has been described as Watercarrier.

13. It is the own case of the workman that all along wages had been paid to him through vouchers. In support of his case that all along, i.e. right from the beginning till the end he had been paid wages at the rate of Rs. 350 per month but he did not summon these vouchers nor applied for joint inspection. Further it does not appeal to mind that in case he had worked as peon all along his wages right from 1973 to 1986 would have remained constant. Under the Minimum Wages Act according to the Govt. Notifications issued from time to time his wages would have surely increased. Further if all along he had been a peon either temporary or on adhoc basis, his salary would not have remained the same through out this long period of 13 years. It also does not appeal to mind that the management which had issued office orders in 1975, 76, 81 and 1982 would not have issued orders of his appointment as peon/messenger if he had actually been appointed by the management as a peon/messenger. The office strength given by him in his cross examination also does not justify more than two posts of class four. It seems to me that when one of the two class IV went on leave or was transferred and no reliever came in his place, he was given appointment as substitute peon or messenger.

13. There has been no cross examination of the management witness on some of the facts stated by him in his affidavit and referred to by me specifically above.

14. With his written arguments the workman has filed the photostat copy of the certified copy of the Division Bench Ruling of the Honble High Court of Allahabad, Lucknow Bench in Writ Petition No. 1841 of 1985 *Jai Kishan and others Versus U.P. Cooperative Bank Limited and others* and other connected Writ petitions. I have gone through this ruling and find that the facts of those cases were different. It was a case where there was no dispute about the fact that the workman had worked for a period of 240 days during the 12 calendar months preceding cessation of their employment. This appears at page 10 of the copy of judgment. Then from the facts stated at page 3 it appears that the workmen were initially appointed on daily wages and thereafter they were given ad hoc appointments for 3 months which was being extended from time to time for a period of 3 months or 89 days. At page 16 it was held that cessation for whatsoever reason amounts to retrenchment and compliance with the provisions providing for payments of retrenchment compensation etc. is essential failing which the termination of employment is rendered illegal and void. Thus in the light of Regulation 4 of U.P. Cooperative Employees' Service Regulation, 1975, Their Lordships held that those employees who were directly employed on ad hoc basis on or before May 1, 1983 and who had been in continuous service for 3 years and fulfil the requisite qualifications for the post they have a right to be considered for regularisation. Thus these rulings have no application to the facts of the present case where the workman has failed to prove that he had been working as Peon/Messenger from 1973 till 23-10-86 or had worked as peon/messenger for 240 days or more within the meaning of Sec. 25B I.D. Act during the period of 12 calendar months preceding the date of his termination i.e. 24-10-86.

15. The authorised representative for the management has placed reliance on the Ruling in the case of *Sh. Ram Lakhan Singh Versus Presiding Officer, Labour Court, Chandigarh, 1989 Lab IC 1650 (P&H)*, in which it was held that period during which a person had worked on part time basis would not be taken into consideration in order to invoke the provisions of Sec. 25F I.D. Act.

16. Hence, from the above evidence and circumstances it does not stand proved that but for the periods during 1975-76 and 1981-82 during which he had worked as a substitute peon and messenger he had worked as water carrier during the rest of the period. This being so, the question of compliance of Sec. 25F I.D. Act does not arise.

17. The reference is answered against the workman and it is held that he is entitled to no relief.

New Delhi, the 30th May, 1990

S.O. 1738.--In pursuance of Section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the award of the Central Government Industrial Tribunal, No. 1, Bombay as shown in the Annexure, in the industrial dispute between the employers in relation to the management of Indian Airlines, Bombay and their workmen which was received by the Central Government on 29-5-1990.

ANNEXURE

BEFORE THE CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL, NO. 1 AT BOMBAY.
(PRESIDING OFFICER : JUSTICE S. N. KHATRI)

REFERENCE NO. CGIT-46 OF 1988

PARTIES :

Employers in relation to the management of Indian Airlines, Bombay.

AND

Their workmen

APPEARANCES :

For the Management : Mr. M. M. Verma, Advocate.
For the Workmen : Miss. Vandana Herur, Advocate.
INDUSTRY : Airlines. STATE : Maharashtra.

Bombay, dated the 23rd day of May, 1990.

AWARD

The Central Government has referred the following industrial dispute to this Tribunal for adjudication under section 10 of the Industrial Disputes Act.

"Whether the action of the management of Indian Airlines, Bombay in dismissing the services of Shri C. K. Mahadevan, Plant Technician with effect from 24-1-1985 is justified? If not, to what relief the concerned workman is entitled to and from what date?"

2. Shri C. K. Mahadevan, the workman involved in the present matter (for short, 'the workman') is represented by the Regional Secretary of the Air Corporation Employees' Union, Santacruz. The workman on release from the Air Force after 24 years of service was employed by the Indian Airlines (hereafter for short, 'the Management') with effect from 12th February, 1979 as Plant Technician in their Ground Support department. He was confirmed in service with effect from 12th August, 1979. He was issued a charge sheet dated 16/23 July, 1984 for alleged misconduct as defined in para 28(13) and (15) of the Standing Orders. The first item relates to absence without leave or overstaying sanctioned leave without sufficient grounds or proper or satisfactory explanation. The second item is habitual breach of any standing order or any law or rules applicable to the Establishment. It was alleged that the workman was absent unauthorisedly for 206 days in the year 1982, for 146 days in 1983, two days in June, 1984 and again continuously from 2nd July, 1984 onwards. Shri L. S. Verma, Assistant Manager, Personnel Services, Bombay conducted the enquiry and held both charges proved. The Deputy Controller, Ground Support who according to the Management is the competent authority confirmed the findings and after issuing show cause notice to the workman and considering his reply, dismissed him from service by his order dated 17/24 January, 1985. The workman's appeal was dismissed by the Regional Director by an order dated 11th March, 1985.

3. The workman has raised two points in his statement of claim. In the first place, he states that under the standing orders, it was the Manager of the factory alone and none else who had the power to dismiss him. As such, the workman asserts, the impugned order which is not passed by the Manager, is bad in law. He does not challenge the validity of the enquiry on any other ground. His second contention concerns the merits of the decision. According to him, there were sufficient grounds for his absence without prior permission, inasmuch as he was not keeping good health. Unfortunately he failed to produce evidence on this aspect during the course of the enquiry. As such, he submits, the authorities took a serious view and awarded the extreme penalty of dismissal. He requests for setting aside the order of dismissal and regularisation of his absence as leave that is admissible to him under various relevant provisions.

4. According to the Management, the order of dismissal is passed by the competent authority and there is absolutely no justification for any leniency to the workman. In this connection they point out that even earlier the workman was awarded the punishment of stoppage of two increments with permanent effect for habitual absence without permission in years 1979 to 1981. They deny that he is entitled to regularisation of his absence, as claimed by him.

5. Both sides have not led any oral evidence. By consent all documents filed by them have been exhibited. Both sides have submitted written arguments.

6. I shall first dispose of the question whether the Deputy Controller, Ground Support, was not competent to pass the impugned order. Admittedly "Standing Orders for factory workers" issued by the Indian Airlines Corporation with the approval of the Central Government and notified in part-IV

of the Gazette of India of 27th May, 1957, as amended from time to time, will apply to the present workman. A copy of these orders is filed at exhibit M-11. The terms 'manager' and 'competent authority' are inter alia defined in para 2 of the Standing Orders as follows:—

"(d) 'Manager' means the Chief Engineer or the person responsible for the working of the establishment who has been designated as 'Manager' for the purposes of the Factories Act, 1948.

(e) 'Competent authority' means in relation to the exercise of any power, the Chairman of the Corporation or any other authority to which the power is delegated by him."

7. The workman relies on S.O. No. 26(v) and 29(6) for his submission that the order of dismissal can be issued only by the Manager and not by any other authority. S.O. No. 26 deals with the subject of termination of service while S.O. No. 29 deals with the rules of conduct of disciplinary action. A bare reading of these two Standing Orders together makes it clear that they deal with entirely different subjects. S.O. No. 29 deals with disciplinary action; S.O. 26 deals with termination of service simpliciter. The present workman's case falls under S.O. 29 and not S.O. 26. Reference to S.O. 26 is, therefore, not relevant.

8. S.O. 29(6) no doubt provides inter alia that in awarding punishment, the Manager shall take into account the gravity of the misconduct, the previous record of the workman, if any, and other extenuating and aggravating circumstances. From this, the workman desires the Tribunal to draw the inference that it is the Manager alone and no other authority that can pass an order of dismissal. I do not agree. There is a schedule at the end of the Standing Orders, which details the authorities competent to pass orders of punishments in disciplinary proceedings and authorities to whom appeals against the orders passed by the original authorities will lie. The original schedule was substituted by a fresh one under the Notification of 1st November, 1974. Admittedly it applies to Factory workers and as such to the present workman. This schedule makes it clear that the Deputy Controller, Ground Support, is the disciplinary authority who is empowered to pass an order of dismissal and Regional Director is the appellate authority. Miss Seth for the Management has stated categorically that the post of Deputy Director, Ground Support, is equivalent to that of 'Manager' and that Regional Director is still a superior officer. The use of the term 'Manager' in S.O. 29(6) is perhaps not happy, as on the first flush, it gives the impression that 'Manager' alone is enjoined to take into account relevant aspects before deciding upon the quantum of punishment. Now if the submission of the workman is accepted that the final order can be passed by the Manager alone, it will lead to some obviously absurd consequences. The entire schedule drawn in detail will become redundant. Then while disciplinary proceedings will be conducted by officers of equal status as the Manager and appeals will be heard by still superior officers, the final orders will be in the hands of the Manager. It cannot be contemplated for a moment that such absurd results were intended by the corporation who have framed the Standing Orders under section 45 of the Air Corporations Act, with previous approval of the Central Government. Obviously in the context obtaining, the term 'Manager' used in S.O. No. 29(6) is loosely used for the term 'competent authority' and cannot be assigned the special meaning given to it in the definition clause.

9. The impugned order cannot be faulted on the ground that it is not passed by a competent authority. I uphold the competence of the Deputy Controller, Ground Support, to pass it and of the Regional Director to hear the appeal from it.

10. The validity of the impugned order is not challenged on any other ground. I now turn to the merits of the case. There is more than adequate evidence adduced in the enquiry proceedings to reach the finding of guilt of the workman on both charges. The enquiry proceedings are exhibited at Exh. M-3. The Management had examined Shri V. K. Nair who was maintaining attendance record in respect of the ground support department. The evidence of this person

coupled with the leave and attendance registers for the years 1982, 1983 and 1984 establishes that the workman was absent without leave for 206 days in 1982, 46 days in 1983 and 2 days in June 1984. Thereafter he was continuously absent from 2nd July, 1984 onwards. The workman contends that some of his off days have also been wrongly included in the above mentioned days. Shri Nair admits that a few 'off' days are included in the number of absentee days. He however explains that it was so done under Rules, because the workman had also remained absent on the days preceding and following those days. This explanation is perfectly justified.

11. The workman further claims justification for 70 days' absence from 13th August, 1984 onwards, on the ground that he had been hospitalised for 33 days from 13th August, 1984 in Dr. Warriar's Vaidayashala at Kottakkal in Kerala and that he was further recommended rest for 35 days. It appears that a certificate was filed in support of this claim. The enquiry officer did not act upon this certificate, because in the first place it was not countersigned by the Medical Officer of the Management and secondly it purported to justify absence for just a small fraction of the total period of absence, which runs into years. The view taken by the Enquiry Officer cannot be said to be unreasonable.

12. The findings of the Enquiry Officer were accepted by the Deputy Controller, Ground Support. He issued showcause notice (Exh. M-5) to the workman on 7th January, 1985 as to why he should not be dismissed from service. The workman submitted his reply on 11th. There is para 4 he expressly agreed with the findings and prayed for mercy. Thereafter he preferred an appeal to the Regional Director by his letter dated 11th March, 1985 (Exh. M-8). It was here for the first time that he enclosed a photostat copy of a letter dated 28th February, 1984 addressed by one Dr. D'Souza to one Dr. Mitra who is the Chief Medical Officer of the Corporation. The first page of this letter only is filed on the record. It recites that the workman was admitted to Dr. D'Souza Nursing Home on 29th December, 1983 with history of paranoid delusions, sleeplessness etc. It is pertinent to note that not a whisper of this letter is available in the enquiry proceedings anywhere. In these circumstances the appellate authority cannot be faulted for not accepting the workman's belated submissions. The finding in the enquiry that the workman remained absent for long spells of days without sufficient grounds is entirely justified.

13. The last question concerns the quantum of punishment. Taking into consideration all the circumstances of the case, including the fact that the workman had worked for 24 years in the Indian Air Force and had some domestic difficulties and is required to maintain a family of 5 members, I think the extreme penalty of dismissal is rather too harsh. I reduce it to removal from service simpliciter.

14. The enquiry proceedings are held to be valid in all aspects. The workman is rightly held guilty for misconduct as defined in items 13 and 15 of S.O. 28. The penalty of dismissal awarded to him is however reduced to removal from service simpliciter. Parties to bear their costs as incurred. Award accordingly.

New Delhi, the 31st May, 1990

S.O. 1739.—In pursuance of Section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the award of the Labour Court Ernakulam as shown in the Annexure, in the industrial dis-

pute between the employers in relation to the management of Cochin Customs House Agents Association, Cochin and their workmen which was received by the Central Government on 30-5-90.

ANNEXURE

IN THE LABOUR COURT, ERNAKULAM
Thursday, the 17th day of May, 1990

Present :

Shri. R. Raveendran, B.A., B.U., Presiding Officer,
Industrial Dispute No. 1 of 1988 (C)

BETWEEN

The Management of Cochin Customs House Agents Association, Cochin-9, represented by its President

AND

Their workman

Shri. K. V. Sebastian, Kurisingal House, Amaravathy
P.O., Cochin-682001.

Representations :—

M/s. K. K. Bhaskaran & K. B. Suresh, Advocates,
Cochin-11. —For Management.

Shri. Mohan C. Menon, Advocate, Ernakulam.
—For Workman

AWARD

The Industrial Dispute between the above parties was referred to this Court for adjudication by the Government of India, Ministry of Labour, New Delhi as per Order No. 1-35012/01/88-D.1V(A) dated 8-1-1988. The issue referred for adjudication is the following :—

"Whether the action of the Governing Body of Cochin Customs House Agents Association, Cochin in not including the name of Shri. K. V. Sebastian, Shipment Tally Clerk of M/s. Aqua Transporting Agency, in the list of pool for shipment tally clerk finalised by them, is justified? If not, to what relief the workman is entitled?"

2. The workman has filed a claim statement stating as follows :—

The workman and Sri. S. Wendson were working as Shipment Tally Clerks in M/s. Aqua Transporting Agency, Cochin. There occurred a general strike of tally clerks for quite some time. The workman did not go on strike whereas his colleague and many others struck work. Since the workman was loyal and sincere in his work, he became a sore in the eye to the striking workmen and their trade Unions. The Management representing the Shipping and Clearing Agents including the workmen's employer and the Trade Unions came to a settlement whereby all the then working tally clerks are to be absorbed into a pool. Since the workman did not participate in the general strike chalked out by the Trade Unions, his name was erased out of the list of tally clerks with ulterior intentions. On coming to know about this, the workman's employer requested to the Management Association to include the workman's name also in the list. The workman had also made a formal request to the Management by an application dated 24-9-84. The Association and the Trade Unions came to a settlement on 18-9-85 before the Regional Labour Commissioner (Central) Madras. All except the workman's name were included in the list of settlement. The workman filed a detailed representation dated 18-10-85 before the Regional Labour Commissioner to rectify the deliberate dropping of his name and render justice. But the workman did not get any reply from the Regional Labour Commissioner. The workman is without employment with effect from 1-11-1985. The workman apprehends foulplay by the Trade Unions with the active connivance of the Customs House Agents Association and with the lukewarm support of the Assistant Labour Commissioner (Central). By virtue of the non-inclusion of the workman within the purview of settlement the workman had to suffer irreparable loss and injury like wages, provident fund, gratuity, superannuation, insurance etc. Hence the Management Association may be directed to treat the workman as an employee covered by the

settlement dated 18-9-1985 giving all back wages and benefits arising out of the same.

3. The Management has filed a written statement contending as follows :—

This dispute is not maintainable either on law or on facts. The formation of a pool of shipment tally clerks was a contractual obligation entered between employees working as shipment tally clerks with the members of the Association, the Association representing members and the Unions of the shipment tally clerks. There was no provision to provide employment, but an agreement to properly channelise the working capabilities of the shipment tally clerks and to coordinate them with the job requirements of the members. For this purpose the Association had after issuing circulars to the members collected names of the shipment tally clerks working with them. On 16th August 1984 the Asst. Labour Commissioner prepared a list of Shipment Tally Clerks. The Association had got nothing to do with it. The employers are the members themselves and the Association has no control over the Shipment Tally Clerks. The Association has not received any intimation seeking the inclusion of the petitioner's name in the pool at the appropriate time. It is not possible to include his name after the pool is formed. To the knowledge of this Association M/s. Aqua Transporting Agency is not operating for the last few years. As the original employer is not operating the employee concerned might have colluded with the original employer to get into the pool in question to enable him to pick out benefits. The Association has no duty to provide employment to the workman. The Association and the workman have no employer-employee relationship. The Association has reason to believe that this crusade is being directed by the original employer of the workman to escape paying out terminal benefits of the workman as a result of the stoppage of his work. The reference may be dismissed with compensatory costs.

4. The workman has filed a replication reiterating his claims in the claim statement and refusing the contentions raised by the Management in the written statement.

5. The points that arise for consideration are whether the action of the governing body of Cochin Customs House Agents Association in not including the name of Sri. K. V. Sebastian, Shipment Tally Clerk of M/s. Aqua Transporting Agency in the list of pool for shipment tally clerk is justified and if not, to what relief the workman is entitled?

6. For the workman WW1 and WW2 were examined and Exts. W1 to W25 were marked.

7. Sri. K. V. Sebastian was working as a Shipment Tally Clerk of M/s. Aqua Transporting Agency, Cochin, a Clearing and Forwarding Agency, working in the Cochin Port. While so, all the Shipping Clearing and Forwarding Agencies in the Cochin Port formed a registered Association in order to protect the rights of its members (Agencies) and secure their rights of functions. The Petitioner was appointed as a Shipment Tally Clerk in 1979. The Management Association requested its members to give the names of tally clerks working under them so that a common authorisation and common application for passes in the Cochin Port Warf can be issued as is evidenced, by Ext. W16. The application and Authorisation letter issued to the Aqua Transporting Agency for the workman is Exts. W2 and W3. In response to a letter received from the Management Association stating that the Association was planning to create a pool of tally clerks, M/s. Aqua Transporting Agency sent the names of the workman and Sri S. Winder as is evidenced by Ext. W17 which would go to show that the workman was working with the Aqua Transporting Agency regularly as Tally Clerks and they have been attending the loading supervisors and all the work connected with the tally work. A certificate of posting regarding the sending of Ext. W17 letter is Ext. W17(a). Again on 27-6-1984 a letter was sent by the Aqua Transporting Agency to the Management Association as evidenced by Ext. W18(a), certificate of posting. Therefore the contention of the Management Association that they were unaware of the fact that the workman concerned was working in the Aqua Transporting Agency as Tally Clerk at the time of

the preparation of the list of persons included in the pool, will not hold good, it is also to be noted that even though the name of the workman was not included in the list of posts of tally clerks, the name of Sri Windsor, another employee in the Acqua Transporting Agency was included in the pool of Tally Clerks as evidenced by Ext. W19. It can be seen that as per Ext. W20 minutes dated 16-8-1984 the inclusion of five more tally clerks was left to the decision of the Governing Body which was constituted 1-9-84. Even then the name of Sri. K. V. Sebastian, the workman concerned, was not included or sought to be included in the addition of five names. Since the workman's name was illegally not included in the pool of tally clerks, again the Acqua Transporting Agency sent Ext. W21 letter to the Management Association on 20-8-84 and Ext. W21(a) is the registered acknowledgement receipt evidencing the receipt of Ext. W21 letter. Acqua Transporting Agency again sent Ext. W22 letter dated 2-9-1984 to the Management Association to include the workman's name also in the pool of tally clerks. The receipt of Ext. W22 letter is evidenced by Ext. W22(a). The workman had already submitted his grievances to the Conciliation Officer, the Asst. Labour Commissioner is Ext. W10 by which the workman was directed to approach the Management Association. The workman again represented before the Governing Body for getting his name also included in the pool of Tally Clerks, since all his attempts failed, he caused to send a lawyer's notice to the Management Association on 24-11-1984. Ext. W24 would go to show that the Acqua Transporting Agency also addressed to the Asst. Labour Commissioner on the disparity and illegally meted out to the workman. In the meanwhile the Regional Labour Commissioner (Central), Madras convened a settlement meeting and under sec. 12(3) of the I.L.A. Act, a memorandum of settlement was arrived at between the Tally Clerks Trade Unions on the one hand and the Management Association on the other as is evidenced by Ext. W12. As per the terms of Ext. W12 settlement the tally clerks included in the pool are to enjoy the shift wages at par with those of the West Coast Employee's Federation, 8 hours work, minimum guarantee of working days of 18 days, night allowance, festival and national holidays, medical aid of Rs. 7000, Provident Fund, bonus, superannuation, gratuity and other terminal benefits. This settlement came into effect on 1-10-85 and operative on 31-1-1985. Though there were 27 tally clerks in the pool of tally clerks as per Ext. W19, in the settlement there are 32. But the petitioner's name was illegally not included in the list of Tally Clerks, though he was entitled to be included as his colleague S. Windsor was No. 1 in the list. Acqua Transporting Agency again addressed the Management Association as is evidenced by Ext. W25. The workman prayed before the Regional Labour Commissioner, Madras for getting his name also included in the pool as is evidenced by Ext. W13. Under these circumstances, the workman moved the Hon'ble High Court of Kerala in O.P. No. 1039/86 and filed a representation of his grievances to the Labour Secretary on 19-2-86. The Hon'ble High Court issued a writ of mandamus directing the Labour Secretary to dispose of the representation within six months as is evidenced by Ext. W14. This having not been done, the workman again moved the Hon'ble High Court in C.M.P. 25633/86 and the Hon'ble High Court directed the workman to file a contempt application as is evidenced by Ext. W15. The workman once again moved the Labour Secretary narrating all these facts and under these circumstances an order was issued by the Government referring the dispute to this Court.

8. WW1 is the workman concerned and WW2 is the Proprietor of Acqua Transporting Agency. The testimony of WW1 and WW2 and Exts. W1 to W25 would amply prove the fact that the workman was tally clerk in the Acqua Transporting Agency and his name was also sent by the Acqua Transporting Agency for inclusion in the pool of tally clerks. But the Management Association has refused to include his name in the pool of tally clerks without assigning any reason even the Management Association has included the name of Sri. S. Windsor, another employee employed in the Acqua Transporting Agency as a tally clerk. According to the Management Association, the formation of a pool of tally clerks was a contractual obligation entered into between the employees working as Shipmen's Tally

Clerks with the members of the Association, the Association representing members and the Unions of the Shipmen's Tally Clerks. But it is pertinent to note that Ext. W12 is a conciliation settlement which will bind the Management and all the workers even though they are not parties to the settlement or they are not members of the Union which is a party in the conciliation settlement. Therefore Ext. W12 conciliation settlement will bind the Management Association as well as the workman in this case. Being a tally clerk who was working in the Acqua Transporting Agency at the time of formation of the pool, he is also entitled to get all the benefits conferred on the employees as per the terms of settlement Ext. W12. Therefore I find that the workman Sri K. V. Sebastian is also entitled to get all the benefits conferred on the employees under Ext. W12 conciliation settlement.

9. Yet another contention raised by the Management Association is that the volume of business is fast coming down so that no addition can be made in the list or pool of tally clerks. It is pertinent to note that the workman concerned had every right to get his name also included in the pool of tally clerks and his name was excluded from the pool without any sufficient and reasonable cause. According to the workman, his name was not included in the list because he became a sore in the eye to the other workmen and their trade unions because he refused to participate in the strike sponsored by all the Trade Unions jointly. The circumstances and evidence emerged in the case would suggest that the non-inclusion of the name of the workman Sri. K. V. Sebastian in the pool of tally clerks was as a result of victimisation and unfair labour practice of the Trade Unions with the active connivance of the Management Association and the contention raised by the Management Association for the non-inclusion of the name of the workman in the pool of tally clerks appears to be unconvincing and unenforceable. In these circumstances I hold that it is crystal clear that the action of the governing body of Cochin Customs House Agents Association, Cochin in not including the name of Sri. K. V. Sebastian, Shipmen's Tally Clerk of M/s. Acqua Transporting Agency in the list of pool for shipment tally clerk, finalised by them, is totally unjustified.

10. Then the question remains to be considered is regarding the relief to be granted to the workman. I have already found that the workman was victimised by the Management Association by its unfair labour practice in deliberately dropping the workman's name from the pool of Tally Clerks. Had the Management Association acted fairly and impartially, the workman would have been included in the pool along with Sri. S. Winsor, who was working with the workman in the Acqua Transporting Agency. Ext. W12 conciliation settlement came into force with effect from 1-10-1985. The workman has stated as WW1 that he is out of employment with effect from 1-10-1985. That being so, the workman is entitled to be included in the pool with all benefits he would have enjoyed had he been included in the pool of shipment tally clerks as per Ext. W12. Taking all the facts and circumstances of the case into consideration, I hold that the workman Sri. K. V. Sebastian is entitled to be included in the list of pool for Shipment Tally Clerk with effect from 1-10-1985 with all benefits as per Ext. W12 settlement. An award is passed accordingly.

Ernakulam,
17-5-1990.

New Delhi, the 1st June, 1990

S.O. 1740.—In pursuance of Section 1 of the Industrial Dispute Act, 1947 (14 of 1947), the Central Government hereby published the award of the Central Government Industrial Tribunal (No. 1), Dhanbad as shown in the Annexure in the industrial

dispute between the employers in relation to the management of Tapin South Colliery of M/s. Central Coalfields Ltd. and their workmen, which was received by the Central Government on 29-5-90.

ANNEXURE

BEFORE THE
CENTRAL GOVERNMENT INDUSTRIAL
TRIBUNAL NO. 1 AT DHANBAD

In the matter of a reference under section 10(1)(d) of the Industrial Disputes Act, 1947

Reference No. 100 of 1989

PARTIES :

Employers in relation to the management of Tapin South Colliery of M/s. Central Coalfields Limited.

AND

Their Workmen.

PRESENT :

Shri S. K. Mitra, Presiding Officer.

APPEARANCES :

For the Employers : Shri R. S. Murthy, Advocate.

For the Workmen : None.

STATE : Bihar. INDUSTRY : Coal.

Dhanbad, the 26th April, 1990

AWARD

By Order No. L-20012/22/89-IR. (Coal-1), dated, the 28th August, 1989, the Central Government in the Ministry of Labour, has, in exercise of the powers conferred by clause (d) of sub-section (1) and sub-section (2-A) of section 10 of the Industrial Disputes Act, 1947, referred the following dispute for adjudication to this Tribunal :

"Whether the dismissal of Jogeshwar Mistry a piece-rated workman of Tapin South Colliery with effect from 20-2-1981 by the management of Tapin South Colliery of M/s. Central Coalfields Ltd. is justified? If not, to what relief is the workman concerned entitled."

2. The present industrial dispute, as the schedule to the terms of reference discloses, has arisen consequent upon dismissal from service of the concerned workman Jogeshwar Mistry, a piece-rated worker of Tapin South Colliery of M/s. Central Coalfields Ltd. Dist. Dhanbad, at the instance of the dismissed worker.

2. The order of reference was received in the office of the Tribunal on 1-9-1989 and since then notices were issued to the concerned workman directing him to appear before the Tribunal to file his statement of claim etc. The employer was also directed by notice to appear and to contest the claim of the dismissed workman. In response to the notice the employer appeared through its Advocate Shri R. S. Murthy, but the concerned workman did not. In the circumstances, I have reason to believe that the concerned workman is not interested in pursuing this industrial dispute. Hence, I am constrained to pass a "no dispute" award in this case.

This is my award.

Employers in relation to the management of M/s. Pradip Coke Industries, Ratanpur, P.O. Govindpur, Dist. Dhanbad.

AND

Their Workmen.

PRESENT :

Shri S. K. Mitra, Presiding Officer.

APPEARANCES :

For the Employers : Shri R. R. Bhattacharjee, Advocate.

For the Workmen : Shri Binod Mahato, the concerned workman.

STATE : Bihar. INDUSTRY : Hard Coke.

Dhanbad, the 30th April, 1990

AWARD

The present reference arises out of Order No. L-20012/138/87-D-III(A)[D-IV(A), dated 19-1-1989, passed by the Central Government in respect of an industrial dispute between the parties mentioned above. The subject matter of the dispute has been specified in the schedule to the said order and the said schedule runs as follows :

"Whether the action of the management of Pradip Hard Coke Industries, Ratanpur, Post Office Govindpur, Dist. Dhanbad in striking of the name of Shri Binod Mahato, Bhatta Stacker, from 1-1-1986 from the register is justified? If not, to what relief the concerned workman is entitled to?"

2. The dispute has been settled out of Court. A memorandum of settlement has been filed in Court. I have gone through the terms of settlement and I find them quite fair and reasonable. There is no reason why an award should not be made on the basis of terms and conditions laid down in the memorandum of settlement. I accept it and make an award accordingly. The memorandum of settlement shall form part of the award.

3. Let a copy of this award be sent to the Ministry as required under section 15 of the Industrial Disputes Act, 1947.

APPENDIX

BEFORE THE CENTRAL GOVERNMENT
INDUSTRIAL TRIBUNAL-CUM-LABOUR
COURT NO. 1, AT DHANBAD.

Reference No. 10 of 1989

BETWEEN

The Management of M/s. Pradip Coke Industries,

Vrs.

The workman (Binod Mahato).

Petition of compromise

The humble petition on behalf of the parties,
Most respectfully Sheweth :—

1. That the parties in the above reference that workman have amicably settled and mutually compromised the dispute out of the Honourable Tribunal at the intervention of common friends and well wishers.
2. That the workman begs to state that the management besides paying off the dues offered employment to the concerned workman but as the workman is not in a position to carry on, and satisfactorily discharge his duties for his health and other personal reasons, he has declined to accept the offer of service made by the Management.
3. That the management has paid and the workman concerned has received and he doth hereby acknowledge the receipt of all payments outstanding and receivable amounts by him from the management in full and final settlement of his dues and the workman concerned begs to submit further that nothing is due and payable to him by the management on any account to the concerned workman.
4. That for the reasons stated hereinabove the parties to the reference no longer intend to proceed with the case, and pray that the reference be disposed of in terms of the compromise.

In view of the above it is, therefore, humbly prayed that your honour may be graciously pleased to pass award in accordance with the terms of compromise and or be pleased to pass any other order/orders as may be deemed fit and proper.

And for this the parties shall pray.

Signature of management.

Signature of the workman.

Dated, the 17th May, 1990

AWARD

By Order No. L-20012(237)/84-D. III(A) dated, the 24th September, 1984, the Central Government in the Ministry of Labour, has, in exercise of the powers conferred by clause (d) of sub-section (1) of Sec. 10 of the Industrial Disputes Act, 1947, referred the following dispute to this Tribunal for adjudication :

“Whether the action of the management of Barora Area No. 1 of M/s. B.C.C. Ltd. in dismissing Shri Ramji Saw from service with effect from 20-4-1983 was proper and justified ? If not, to what relief the workman is entitled ?”

2. The case of the management, details apart, is as follows :

The concerned workman, Ramji Saw, was employed as Driver in Barora Area Office in November, 1981. On receipt of a report in regard to certain acts of misconduct allegedly committed by him, he was issued with a chargesheet dated 11-11-81.

“It has been reported to the management that on 11-11-81 at about 12-30 p.m. in front of Barora office main gate, you stabbed Dhillon, Senior Personnel Officer, Barora Area by ‘Bhujali’ with an attempt to murder. In the scuffle he received severe dip cuts in his left palm and bled (bled) profusely.”

It has been stated in the chargesheet that the alleged misconduct attracted clause (r) of Standing Order No. 17(i) of the Model Standing Order applicable to Coal Mining Industry. The concerned workman submitted his explanation to the chargesheet, but that was not found satisfactory. Hence, the management directed an enquiry to be made into the charges framed against him and Sri A. N. Yadav, Manager, Madhuban Colliery was appointed Enquiry Officer. In the course of domestic enquiry the witnesses for the management were examined in presence of the concerned workman and he was given full opportunity to cross-examine them. He availed himself of such opportunity; he was given opportunity to make a statement in support of his defence which he did. He was given opportunity to produce witnesses in support of his defence, but he did not produce any such witness. On the basis of enquiry held by him, the Enquiry Officer found the workman guilty of the charge framed against him and submitted his report accordingly. The report of the Enquiry Officer was considered by the management and final decision was taken by the General Manager, Chief Mining Engineer, Barora Area to dismiss him from service. Accordingly, he was dismissed from service by order issued by the General Manager, Chief Mining Engineer, Barora Area on 20-4-83 with immediate effect. It is asserted that the domestic enquiry was held in accordance with the principle of natural justice and all reasonable opportunities were provided to the concerned workman to defend himself. It has been submitted that regard being had to the gravity of misconduct proved against the concerned workman which was very serious in nature and the facts and circumstances of the case, the action taken to dismiss him from service was proper and justified.

3. The case of the sponsoring union, Bihar Colliery Kamgar Union, as disclosed in the written Statement submitted on behalf of the concerned workman, briefly stated, is as follows :

The concerned workman, Ramji Shaw was working as permanent Driver in Barora Area Office with unblemished record of service. Shri S. S. Dhillon, Senior Personnel Officer of Barora Area induced him to hand over his wife's taxi car bearing No. PRW 6541 in February 1981 upon agreeing to pay him Rs. 11,000/- as consideration money for

the vehicle. Shri Dhillon paid him Rs. 4,500 only by cheque which was encashed on 2-2-81 from Barora State Bank, but did not pay the balance consideration money. He insisted on payment of the amount in question which caused annoyance to Shri Dhillon. Ultimately he requested Shri Dhillon to pay the full consideration money or to hand over the Taxi Car. On 11-11-81 he approached Shri Dhillon for balance consideration money outside the main gate of Barora Area Office, but curiously enough Shri Dhillon, instead of paying the balance consideration amount, started abusing him in most filthy language and pushed him down on the ground. Shri Dhillon was an active member of Officer's Association and he along with other officers hatched up a plan to cover up their misdeed and entangled him in a false case. At the instance of Shri Dhillon the management issued against him a false, frivolous and motivated chargesheet for allegedly assaulting Shri Dhillon outside main gate at 12-30 a.m. on 11-11-81. The chargesheet, according to the concerned workman, is, *prima facie*, false, frivolous and motivated. However, he replied to the chargesheet denying the charges emphatically. The management, with a pre-determined plan to dismiss him from service appointed a biased and prejudiced Enquiry Officer, Shri A. N. Yadav, Manager, Madhuband Colliery. The Enquiry Officer conducted the enquiry in an illegal and irregular manner. Since on the self-same day a criminal case was pending the Enquiry Officer should have postponed the domestic enquiry till the disposal of criminal case. On the first date of enquiry on 23-2-82 he submitted a list of witnesses to the Enquiry Officer who, however, closed the proceeding without examining the witness. He attended the enquiry on each day with his witnesses but for some reason or other the enquiry proceeding was adjourned to other dates. As a matter of fact the proceeding of the enquiry was adjourned as many as 19 times and on each of these occasions he was present with his witnesses. The Enquiry Officer openly sided with the management and did not allow him to cross-examine the management's witness. He conducted the enquiry *ex parte*, Shri B. N. Sahai, who was initially appointed presenting officer had refused to represent the management after realising that the Enquiry Officer was biased and Shri N. K. Sengupta was appointed presenting officer by the management. The Agent of Madhuband Colliery was an alleged eye-witness and even then the management appointed the Manager of Madhuband Colliery as Enquiry Officer who was appointed by Area Manager (Tech.) The Area Manager (Tech.) had got no authority to appoint him. In the departmental

enquiry Shri Dhillon has alleged that the concerned workman allegedly assaulted him (Dhillon) for his alleged refusal in giving the concerned workman promotion to the next higher grade. Shri Dhillon had no authority to promote any workman in the next higher grade/scale. At the instance of the concerned workman a criminal case was initiated against Shri Dhillon for cheating under Sec. 420 of I.P.C. He was arrested by the police in connection with the criminal case, but later released on bail by S.D.J. Magistrate on 3-5-82. Shri Dhillon should have been suspended from service for he remained in jail for more than 24 hours. He made representation to the higher officials against Shri Dhillon but without any effect. In the invalid and irregular departmental enquiry the charge against him was not proved. Even so, he was dismissed from service illegally, arbitrary and hence, has raised the present industrial dispute. The sponsoring union has submitted that the alleged incident was not a misconduct as per provisions of the Standing Order because it was purely a private matter between the parties and unrelated completely to the working or business of the Company. The union has further submitted that the dismissal of the concerned workman was too harsh and vindictive in nature and disproportionate to the alleged offence. In the context of the facts and circumstances, the union has prayed that the concerned workman be reinstated in service with full back wages after setting aside the order of his dismissal passed by the management.

4. In the rejoinder to the written statement of concerned workman, the management has denied all the allegations as made by the concerned workman in the written statement and stated that Area Manager (Tech.) appointed Enquiry Officer with the approval of General Manager/Chief Mining Engineer, Barora Area.

It has been submitted by the management that simply because of the criminal case against Shri Dhillon, it could not be established that he was guilty of any offence.

5. In the additional written statement the sponsoring union has asserted that Shri Dhillon was not on duty on 11-11-81 and he received sick leave wage for the day.

In rejoinder the management has asserted that Shri Dhillon was on duty on 11-11-81 and denied that he received sick leave wage for the day. The attendance register of Barora Area Office relating to officer for the period from 11-11-81 to 10-12-81 clearly shows that Shri Dhillon was on duty on 11-11-81 and that he remained on injury leave till 27-12-81.

6. At the instance of the management it was considered as preliminary issue as to whether the domestic enquiry was conducted fairly and properly. By

order dated 15-6-88 it was held that the domestic enquiry was not held properly. Thereupon the management has laid evidence afresh and placed for consideration the proceeding of the domestic enquiry. The concerned workman also examined himself and laid in evidence certain documents which have been marked exhibits.

7. It is an undeniable fact that Ramji Saw was employed as a permanent Driver in Barora Area Office of M/s. B.C.C. Ltd. in November, 1981 and Shri S. S. Dhillon was the Senior Personnel Officer of Barora Area.

The case against the concerned workman as disclosed in the chargesheet (Ext. M-34) is that he was reportedly stabbed Shri S. S. Dhillon on 11-11-81 at about 12-30 p.m. in front of Barora office main gate with a Bhujali with an attempt to murder him and in the scuffle Shri Dhillon received severe deep cuts in his left palm and bled profusely. It was further alleged in the chargesheet that the concerned workman committed misconduct under clause 17(i)(r) of the Model Standing Order applicable in coal mines. Clause 17(i)(r) of the Model Standing Order applicable in coal mines envisages that threatening, abusing or assaulting any superior or co-worker constitutes misconduct. Obviously, Shri Dhillon was a superior officer and in terms of the chargesheet the concerned workman committed misconduct by assaulting Shri Dhillon with Bhujali. Presumably this chargesheet was issued on the basis of a written complaint submitted by Shri Dhillon (Ext. M-38). In the written complaint Shri Dhillon informed the General Manager, Barora Area that on 11-11-81 at about 12-30 p.m. "while he was going along with other officers from the main gate of the Area office, Ramji Saw, driver of the area came running with Bhujali and stabbed him causing grievous injury on his left hand. He requested the General Manager to take necessary disciplinary action against the delinquent and cited S/Shri A. N. Iha, Area Manager (Construction), P. C. Luck, Asst. Madhuband Colliery, N. K. Singh, Senior Personnel Officer and S. C. Gour, P. M. as witnesses." Thus, it is seen that in the written complaint Shri Dhillon reported about the fact though he was stabbed by Ramji Saw with a Bhujali causing grievous injury but has not provided any motive therein about the abrupt conduct of the concerned workman nor has he stated therein that the officers accompanying him either tried to save him or saved him. In the chargesheet also no motive was provided for the commission of the offence by the concerned workman nor does the chargesheet disclose that the officers saved Shri Dhillon or that they tried to save him.

Shri Dhillon has complained that he sustained grievous injury but this is not supported by the chargesheet.

Section 320 of I.P.C. defines grievous hurt as follows :

320 : The following grounds of hurt only are designated as 'grievous'—

First—Emasculation.

Second—Permanent privation of the sight of either eye

Third—Permanent privation of the hearing of either ear.

Fourth—Privation of any member or joint.

Fifth—Destruction or permanent impairing of the powers of any member or joint.

Sixth—Permanent disfiguration of head or face.

Seventh—Fracture or dislocation of a bone or

Eighth—Any hurt which endangers life or which causes the sufferer to be during the space of twenty days in severe bodily pain, or unable to follow his ordinary pursuits.

There is no evidence on record that Shri Dhillon sustained grievous injury in his person as a result of assault, allegedly launched on him. It appears from the Attendance Register of officers of Barora Area, called for by the concerned workman by his petition dated 23-4-87, but produced by the management as late as on 14-8-87 without providing any explanation for such late production, that Shri Dhillon was on leave, called injury leave, from 17-11-81 for a period of more than 20 days. But there is no evidence to indicate that during the space of 20 days or more he was any severe bodily pain or unable to follow ordinary pursuits. On the other hand, his attendance in office from 12th November to 16th November indicates that he was following his ordinary pursuits even after the injury sustained by him. This being so, I am constrained to state that Shri Dhillon endeavoured to magnify the extent of his injury when he called it a grievous injury in his complaint.

8. It appears that Shri Dhillon lodged First Information in the P. S. and the police recorded a case under section 324 of I.P.C. and arrested the concerned workman. It is the first time that Shri Dhillon provided motive for the crime allegedly committed by the concerned workman. According to him, the motive was that he was on the Promotion Committee and since the concerned workman did not get promotion, he held Shri Dhillon liable and that on the date of occurrence the concerned workman called on him in his office earlier and threatened him. As I have stated before, Shri Dhillon did not state anything about the motive of crime allegedly committed by the concerned workman. He did not also state in his complaint that the concerned workman threatened him while he was in his office. In departmental proceeding Shri Dhillon had also stated that the concerned workman threatened him earlier in the office and the motive for the crime was that the concerned workman held him responsible for not promoting him. But I consider that the statement of Shri Dhillon providing motive for commission of the crime and also the fact that he was threatened by the concerned earlier on the date of occurrence are products of afterthought in order to ramify and bolster his case. Had Shri Dhillon been threatened by the concerned workman in his earlier in the day, surely he would have reported the matter to his higher authorities because threatening of a superior officer constitutes also a misconduct under clause 17(i)(r) of the Model Standing Order applicable in coal mines. It may be that Shri Dhillon

did not consider the matter seriously, but that is only a hypothesis because no evidence is garnered on record to indicate that he did not consider the threat of the concerned workman seriously.

It appears that Shri Dhillon was one of the four member of the Committee constituted for the purpose of promotions of Drivers from Category-V to Category-VI (Ext. M-41). It is the definite case of the sponsoring union that in its written statement submitted on behalf of the concerned workman that as a member of the Promotion Committee Shri Dhillon had no authority to promote any workman alone in the next higher grade. As a matter of fact the Promotion Committee passed its approval for promotion on 1-2-80 and so there is neither the proximate cause nor the nexus with regard to approval of promotion and the occurrence which allegedly took place on 11-11-81. Regard being had to the fact that Shri Dhillon had no power alone to recommend anybody for promotion and the fact that the occurrence took place almost after the expiry of one year and nine months, after approval of the Committee for promotion, I hold that the motive for the alleged crime as provided by Shri Dhillon is nothing but **apocryphal**.

9. The case of the sponsoring union is that Shri Dhillon had implicated the concerned workman in a false case. The concerned workman, in his explanation to the chargesheet has provided the reason for such involvement. He had stated that Shri Dhillon induced him to hand over his wife's Taxi Car bearing No. BRW. 6541 by paying Rs. 4,500/- by Cheque which was encashed from Barora State Bank of India on 2-2-81 and on promise to pay the balance consideration money, the total consideration money being Rs. 11,000/- He has alleged further that balance money was never paid and that Shri Dhillon was enraged when a fortnight back from the date of occurrence he expressed his intention to take legal action against Shri Dhillon (Ex. M-35). The Enquiry Officer, while holding the enquiry has not considered this explanation of the concerned workman. In the departmental proceeding Shri Dhillon admitted the fact of his having purchased the vehicle, but at the consideration money of Rs. 4,500/-. It appears that the concerned workman has subsequently filed a complaint against Shri Dhillon under section 420 of I. P. C. and the police took cognizance of the above offence, proceeded against Shri Dhillon (Ex. W-14), and Shri Dhillon was released on bail (Ex. W-17). The criminal case against Shri Dhillon is still pending.

10. It is worthwhile now to consider the occurrence as disclosed in evidence laid by the management. It appears from the complaint to Shri Dhillon and F.I.R. that S/Shri A. N. Jha, P. C. Tak, M.K. Singh and S. C. Gour were witnesses to the occurrence. Shri M. K. Singh has not been examined by the management while the matter was heard on merit. No explanation has been provided as to why he has not been examined. The evidence of MW-2 S. C. Gour and MW-3 P. C. Tak and MW-4 A. N. Jha establishes the fact that the alleged occurrence took place outside the main gate of Barora Area

Office. It has been alleged by the concerned workman that Shri Dhillon was on leave on the date of occurrence on 11-11-81. But the Attendance Register establishes the fact that he was on duty on that date. MW-2 S. C. Gour has admitted that he did not personally see anybody assaulting Shri Dhillon, but he had it from S/Shri Dhillon, P. C. Tak and A. N. Jha that Shri Dhillon sustained injury at the hands of Ramji Saw by dagger. The main witness for the management Shri S. S. Dhillon has not been examined in this case. It appears from the evidence that MW-3 P. C. Tak that Shri Dhillon left for his home town in Punjab sometime in 1987 on leave on account of his father's illness and that his father died, but he did not resume his duty. It was suggested to this witness that Shri Dhillon is associated with terrorist group and that he had left India and the Government of India is looking after him. Anyway, the fact is that Shri Dhillon has not been examined in this case. S/Shri P. C. Tak and A. N. Jha did not corroborate MW-2 Shri S. C. Gour by stating that they informed the latter that Shri Dhillon sustained injury at the hands of the concerned workman. MW-3 P. C. Tak has stated that he had seen the concerned workman attacking Shri Dhillon with a Bhujali and that A. N. Jha and N. K. Singh and he himself separated both of them. But in departmental enquiry he did not state that he separated Shri Dhillon and the concerned workman. In the departmental enquiry he has also stated that he saw the occurrence from a distance of 20 or 25 feet. There is evidence on record that at the time of occurrence there was commotion and Shri Tak has not explained as to how he could see the occurrence from a distance of 20 to 25 feet when there was a commotion and scuffle MW-4 A. N. Jha has stated that the concerned workman assaulted Shri Dhillon with a Bhujali and he saw blood trickling down from the palm of Shri Dhillon and Shri Dhillon was holding the Bhujali and the concerned workman was trying to pull it out and in the process the Bhujali was cutting deeper and deeper into the limbs of Shri Dhillon. He has further stated that the situation was very grave, he decided to save Shri Dhillon and intervened in the matter and ultimately could separate them. There is no evidence especially medical evidence to suggest that Shri Dhillon sustained severe injury in his left palm. If the statement of this witness is believed then the left palm of Shri Dhillon would have been seriously injured but that is not the fact revealed from the evidence. I consider that these are serious lacunae in the evidence laid by the management with regard to the occurrence and these lacunae cannot be ignored. This being so, the entire evidence of these two witnesses could not but be considered with a deep clour of suspicion. This suspicion is heightened by the fact that all the witnesses are highly placed officials and the concerned workman is a humble driver and even though some outsiders were present near the occurrence, none of them has come forward to vouch for the fact that the concerned workman assaulted Shri Dhillon.

11. To enable an employer to peacefully carry on his industrial activities, the Industrial Disputes Act

conferred power on him to prescribe conditions of service including enumerating acts of misconduct when committed within the premises of the establishment, Act of misconduct may take place within the premises of the establishment or in the vicinity thereto. In the present case the alleged misconduct if believed took place within the vicinity of the establishment. But there must be casual connection in order to provide linkage between the alleged act of misconduct and employment and that connection must be real and substantial immediate and proximate and not remote or tenuous. The management could not provide responsible basis for motive of the misconduct allegedly committed by the concerned workman. On the other hand, the concerned workman has suggested a motive which is unconnected with his employment. It appears that he complained to the Higher authority against the conduct of Shri Dhillon for his breach of faith with regard to his promise to pay the balance consideration amount for purchase of the vehicle (Ex. W-6). But the higher authority ignored this complaint (Ex. W-7) and held that both Shri Dhillon and the concerned workman were wrong to enter into a deal. It is beyond comprehension as to how a person can be considered to be wrong to enter into a deal with another person. Anyway, there is no evidence on record that there was casual connection to provide linkage between the alleged acts of misconduct and employment.

12. It appears from the evidence that the Government have since withdrawn the case against the concerned workman. This withdrawal has been made under section 321 of Cr. P.C. and in the interest of administration and justice. In other words the Government did not consider that the complaint of Shri Dhillon was of such nature which, if not pursued with result in failure of administration of justice. There is no evidence on record that the alleged misconduct of the concerned workman has otherwise aggravated industrial discipline amongst the workman of Barora Area, or disturbed harmonious industrial relationship between the employer and employee of that Area.

13. Considering all the facts and circumstances and evidence on record, I am constrained to hold that the management of Barora Area No. 1 of M/s. B.C.C. Ltd. was not justified in dismissing the concerned workman from service for his alleged misconduct. Consequently the concerned workman should be reinstated in service and in the circumstances of the case, with 50% of back wages till his reinstatement.

14. Hence, the following award is rendered—the action of the management of Barora Area No. 1 of M/s. B.C.C. Ltd. in dismissing the concerned workman, Ramji Saw from service with effect from 20-4-83 was not proper and justified. The management is directed to reinstate him in service with effect from the date of his dismissal with 50% of back wages from the period of his dismissal from service till his reinstatement. The management is also directed to reinstate him in service within one month from the date of publication of this award.

In the circumstances of the case, I award no cost.

S. K. MITRA, Presiding Officer.

New Delhi, the 5th June, 1990

S.O. 1743.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the award of the Central Government Industrial Tribunal (No. 1) Dhanbad as shown in the Annexure in the industrial dispute between the employers in relation to the management of Govindpur Colliery of M/s. Bharat Coking Coal Ltd. and their workmen, which was received by the Central Government on the 24-5-90.

ANNEXURE

BEFORE THE CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL NO. 1, DHANBAD

In the matter of a reference under section 10(1) (d) of the Industrial Disputes Act, 1947

Reference No. 33 of 1989.

PARTIES :

Employers in relation to the management of
South Govindpur Colliery of M/s. B.C.C.
Ltd.

AND

Their Workmen.

PRESENT :

Shri S. K. Mitra, Presiding Officer.

APPEARANCES :

For the Employers : Shri B. Joshi, Advocate.

For the Workmen : Shri S. Bose, Secretary,
Rashtriya Colliery Mazdoor Sangh.

STATE : Bihar.

INDUSTRY : Coal.

Dated, the 18th May, 1990

ORDER

By Order No. L-20012(26)88-D.IV(A)IR. (Coal-1), dated, the 16th March, 1989, the Central Government in the Ministry of Labour, has, in exercise of the powers conferred by clause (d) of sub-section (1) and sub-section (2-A) of Section 10 of the Industrial Disputes Act, 1947, referred the following dispute for adjudication to this Tribunal :

"Whether the action of the management of South Govindpur Colliery of M/s. Bharat Coking Coal Ltd. in not correcting the age/date of birth in the records and in retiring Shri P. B. Mondal, Office Superintendent, w.e.f. 19-5-1988 is justified?" If not, to what relief is the workman is entitled to?"

2. The case of the management of South Govindpur Colliery of M/s. B.C.C. Ltd., as disclosed in the written statement submitted, details apart is as follows :

The present reference is not legally maintainable. The concerned person, P. B. Mondal, was holding the supervisory post and was performing supervisory duties of Office Superintendent. He was drawing the wages of more than Rs. 1600 per month and therefore he is not a workman within the meaning of Industrial Disputes Act. Anyway, the date of his birth has been recorded as 19-5-1928 in Form 'B' register maintained under section 48 of the Mines Act, 1952. The owner of the mine is under an obligation to record particulars of each employee in the mine in the Form 'B' register under the Mines Rules. The owner, Agent, Manager of the mine as well as the concerned employees making false declaration in Form 'B' register are liable to be prosecuted and punished under the provisions of Mines Act. In order to stop frivolous litigation of age dispute at about the time of retirement, Model Standing Order dated 17-1-1983 provided that the date of birth as entered in the establishment register/service card will be conclusive evidence in the matter of superannuation. Therefore, the date of birth of the concerned person as entered in Form 'B' register should be accepted as conclusive evidence of his date of birth for the purpose of superannuation. It may be mentioned that Form 'B' register is brought up-to-date from time to time at intervals of several years, at the time of change over of management or ownership and new Form 'B' Register is prepared. The new Form 'B' register is prepared after copying the entries from the old Form 'B' register and obtaining signature or L.T.s of the concerned employees against their respective names. The management prepared Identity Card Register and issued Identity Cards to its employees. The date of birth of the concerned person has been recorded as 19-5-1928 in the Identity Card Register and in the Identity Card. Thus, the date of birth recorded in Form 'B' register is corroborated with the date of birth recorded in Identity Card Register and Identity Card. The concerned person did not file any complaint within the period of one year from the date of preparation of Form 'B' Register. Hence, the present dispute is an after-thought and has been raised on the basis of concocted facts and manufactured document. He was superannuated with effect from 19-5-1988 on the basis of date of birth recorded in Form 'B' register. In the circumstances, the management has submitted that its action in refusing to correct the age/date of birth of the concerned person is justified.

3. The case of the sponsoring union as disclosed in the written statement submitted by it, briefly stated, is as follows :

The concerned workman is a permanent employee of the Coal Mining Industry from the period prior to take over of the said industry by the Central Government. He had been working in the capacity of Office Supdt. throughout his service under M/s. B.C.C. Ltd. He is a member of Coal Mines Provident Fund from his earlier service period and there he disclosed his correct date of birth in Declaration Form as 11-2-1938. The records of the employed persons in the colliery including the Provident Fund records are kept in the custody of the management and so M/s. B.C.C. Ltd. management has in its custody all such records containing name, parentage, age, home

address and nominee. The management of M/s. B.C.C. Ltd. has prepared records afresh several years after it became the owner of the collieries and while doing so, made serious discrepancies in a large number of cases. The concerned workman came to know in early January, 1988 that the date of his birth was wrongly recorded by the management in new Form 'B' Register and that in the said register his date of birth had been mentioned as 19-5-1928 instead of 19-5-1938. He made a written representation to the management on 15-1-1988 about the wrong recording of his date of birth in new Form 'B' Register, but he did not get any reply from the management. He submitted a reminder dated 28-2-88 but to no effect. Since the management was non-cooperative and adamant, he had to raise the present industrial dispute through his union before the Asstt. Labour Commissioner (C), Dhanbad. The A.L.C. (C), Dhanbad submitted a failure report and thereafter the present reference has been made by the appropriate Government.

4. In rejoinder to the written statement of the sponsoring union, the management has stated that correct position will be explained at the time of hearing with reference to document regarding the date of birth of the concerned person in the Declaration Form of the Coal Mines Provident Fund. The concerned person was a member of Coal Mines Provident Fund from the time of private ownership of the colliery, but it is incorrect to state that his date of birth was recorded there as 11-2-1938. The management has been maintaining all statutory records under the Mines Act and some records under Coal Mines Provident Fund Scheme. The Coal Mines Provident Fund office maintains all records under the Coal Mines Provident Fund Scheme. The new Form 'B' Register has been prepared by the management of M/s. B.C.C. Ltd., according to the provisions of the Mines Act after it became the owner of the mines. The correct date of birth of the concerned person was 19-5-1928 and not 19-5-1938. In the circumstances, the management has prayed that an award be passed holding that the concerned person is not entitled to any relief.

5. In rejoinder to the written statement of the management, the sponsoring union has stated that the concerned workman was working in the capacity of Office Superintendent, he was performing purely clerical duties and was never entrusted with any supervisory job or managerial or administrative job. All the employees of M/s. B.C.C. Ltd. are divided into two categories and in two distinct groups (i) Executive and (ii) Wage Board Employees/workmen. The concerned workman was a Wage Board employee and hence he is a genuine workman. While service condition of the Executives provide the retirement age on attaining the age of 58 years, the age of superannuation of Wage Board employee is 60 years. In the present case the concerned workman was superannuated wrongly on the basis of incorrect records. His date of birth as recorded by the Coal Mines Provident Fund was 11-2-1938. The management has increased his age by ten years and thereby deliberately harmed him. The sponsoring union has prayed that the Tribunal be pleased to pass an award in favour of the concerned workman.

6. The management has examined one witness, namely, MW-1 R. P. Dabral, formerly posted to South Govindpur Colliery as Senior Personnel Officer from February, 1983 to March, 1987 and laid in evidence a number of documents which have been marked Exts. M-1 to M-6.

On the other hand, the concerned workman has examined himself and laid in evidence some documents which have been marked Exts. W-1 to W-8.

7. It is the inretrageable position that the concerned workman was a permanent employee and had been working as Office Superintendent in South Govindpur before he was superannuated from service with effect from 19-5-1988. There is no dispute that the concerned workman was employed in the Coal Industry before the management of the collieries was taken over by the Government and subsequently nationalisation of the coal industries. The evidence of the concerned workman discloses that he was appointed for the first time in coal industry in Bilbera colliery in 1957 as Clerk and that Bilbera colliery merged with South Govindpur Colliery in 1972 and in that year he joined in South Govindpur Colliery as Office Superintendent. It appears that he remained in the same post till his superannuation from service.

8. Since the concerned workman was designated as Office Superintendent and drawing wages more than Rs. 1600 per mensem, the management has contended that he was not a 'workman' within the meaning of Sec. 2(s) of the Industrial Disputes Act. In order to determine the status of a workman the designation is not the principal criteria. Dominant purpose of employment must be first taken into consideration and the gloss of designation must be rejected while determining the status and character of an employee. In this connection the decisions reported in 1983 L.J.C. 1483, 1984 Lab. I.C. 658 and 1985 Lab. I.C. 1008 may be cited as the guidelines. The concerned person in his testimony has emphatically stated that his duties were of clerical nature, though responsible. The management has not produced the duty chart of the concerned workman to prove that he was ever employed in the supervisory capacity. That being so, the contention of the management that the concerned workman was not a 'workman' within the meaning of Sec. 2(s) of the Industrial Disputes Act must be overruled.

9. It is an undeniable position that the management of M/s. B.C.C. Ltd. prepared fresh Form 'B' Register in respect of all its employees and that new Form 'B' Register in respect of the concerned workman was also prepared. It is claimed by the management that new Form 'B' Register was prepared on the basis of old Form 'B' Register, but this claim has not been admitted by the sponsoring union. Thus, it is evident that the new Form 'B' Register is not a document prepared contemporaneously with the appointment of the concerned workman in Bilbera Colliery in 1957. Anyway, as per new Form 'B' Register the date of birth of the concerned workman was 19-5-1928 (Ext. M-2). But as per the Identity Card Register his date of birth was 19-5-1926 (Ext. M-6). Thus it appears that there is a discrepancy of two years regard-

ing the date of birth of the concerned workman as recorded in the Form 'B' Register and Identity Card Register. It appears that Asstt. Commissioner-II, Dhanbad-II of the office of the Regional Commissioner of Coal Mines Provident Fund reported by letter dated 3-8-88 that the date of birth of the concerned workman was recorded as 11-2-1938 in Declaration Form 'A' available in the office record (Ext. W-7). Thus, it is seen that the letter of Assistant Commissioner-II, Dhanbad-II of Regional Commissioner of Coal Mines Provident Fund supports the case of the concerned workman that his date of birth was recorded as 11-2-1938 in Declaration Form 'A' submitted under Coal Mines Provident Fund Scheme.

Shri B. Joshi has contended that there was manipulation in the Declaration Form and in support of his contention he has pointed out the letter of the Commissioner of Provident Fund dated 19-4-1939 addressed to the Under Secretary, Government of India, Ministry of Energy, Department of Coal (Ext. M-3). The Commissioner in his letter pointed out some overwriting. But this overwriting, in my view, does not by itself establish that it is an exercise in manipulation. It appears that the concerned workman complained to the management when he came to know of his date of birth wrongly recorded by the management by letter dated 15-1-1988 (Ext. W-3). Thereafter on receiving the notice of superannuation, he again pointed out that his date of birth was wrongly recorded in Form 'B' Register and that his correct date of birth was 11-2-1938 (Ext. W-4).

10. Anyway, it is evident that there exists discrepancy about the date of birth of the concerned workman as recorded in Form 'B' Register and Identity Card Register. The Declaration in Form 'A' made under Coal Mines Provident Fund Scheme also suggests a different date of birth of the concerned workman.

Shri S. Bose has submitted before me a copy of an award arrived by settlement while the industrial dispute was pending before this Tribunal. In that case the management admitted the date of birth as recorded in its Form 'B' Register to be incorrect. This being the position, the date of birth of the concerned workman as recorded in Form 'B' Register is not as sacrosanct as Shri Joshi would have me believe. The concerned workman has submitted an affidavit sworn by his elder brother Kashinath Mondal (Ext. W-8) vouching for the fact that the date of birth of the concerned workman was 11-2-1938. But this Kashinath Mondal has not been produced for cross-examination by the sponsoring union. Anyway, Joint Bipartite Committee for Coal Industry in connection with NCWAI has issued Implementation Instruction No. 37 dated 5-2-1981 for determination of age of the employee concerned by the Committee/Medical Board whenever there is variation in records. The relevant provisions of the Implementation Instruction reads as hereunder :

(B) Review/determination of date of birth in respect of existing employees :

- 1 (a) Wherever there is no variation in records, such cases will not be reopened un-

less there is a very glaring and apparent wrong entry brought to the notice of the management. The management after being satisfied on the merits of the case will take appropriate action for correction through age determination Committee|Medical Board.

(b) Wherever there are variation, a suitable provision for age determination Committee|Medical Boards would be made.

2. Age determination Committee|Medical Board for the above will be constituted by the management.
3. For determination of the age, the Committee referred to above may consider the evidence available with the Colliery Management and/or adduced before it by the employee.
4. Age so assessed by the Committee shall be communicated by the management to the employee concerned and also to the Unit from where reference was received, for further necessary action.
5. The decision of the Committee will be binding and final.
6. The above procedure will come into force with immediate effect and will supersede the existing procedure|orders, if any, on this subject.

I consider it imperative on the part of the management to follow this instruction. Accordingly, the management is directed to have the age of the concerned workman determined by the Committee|Medical Board within two months from the date of publication of the award and so, the action of the management in refusing to correct the age of the concerned workman without referring him to the Committee|Medical Board is unjustified.

11. Hence, the following award is rendered.—The action of the management of South Govindpur Colliery of M/s. Bharat Coking Coal Ltd. in not correcting the age|date of birth in the records and in retiring the concerned workman, P. B. Mondal is not justified. The management is directed to determine the age of the concerned workman within two months from the date of publication of this award by the Committee|Medical Board. If the Committee|Medical Board decides the age of the concerned workman to be less than what has been recorded in Form 'B' Register then the management should reinstate him in service, pay him back wages and give him continuity of service provided he has not reached the age of superannuation in the meantime. But if he has already reached the age of superannuation between 19-5-1988 till the date of publication of the award and completion of determination of age, then the management should pay him back wages and other benefits only.

In the circumstances of the case, I award no cost.

New Delhi, the 1st June, 1990

S.O. 1744.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947) the Central Government hereby publishes the following award of the Central Govt. Industrial Tribunal, Jabalpur as shown in the Annexure in the industrial dispute between the employers in relation to the management of Banki Colliery of M/s. S.E.C. Ltd. and their workmen, which was received by the Central Government on 29-5-90.

ANNEXURE

BEFORE SHRI V. N. SHUKLA, PRESIDING OFFICER, CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL-CUM-LABOUR COURT, JABALPUR (M.P.)

Case No. CGIT(LCR) (171)/1987

PARTIES :

Employer in relation to the management of Banki Colliery, S.E.C.L., Bankimogra, District Bilaspur (M.P.) and their workman Shri Anjersai, Mazdoor Cat. I, represented through the General Secretary, Chhattisgarh Khadav Karkhana Mazdoor Union, P.O. Bankimogra, Distt. Bilaspur (M.P.)

APPEARANCES :

For Workman|Union . . . Shri Rambilash Sobhnath.

For Management . . . Shri Rajendra Menon Advocate.

INDUSTRY : Coal Mining ... DISTRICT : Bilaspur (M.P.)

AWARD

Dated : May, 17, 1990

This is a reference made by the Central Government, Ministry of Labour, vide its Notification No. L-21012/7/87-D.III(B) Dated 24-8-1987, for adjudication of the following dispute :—

“Whether the action of the management of Banki Colliery of S.E.C.L. in dismissing Shri Anjersai, Mazdoor Cat. I from service is justified. If not, what relief is the workman entitled to?”

2. Undisputed facts of this case are that the workman, Shri Anjersai, was serving as Mazdoor in Cat. No. I at Banki Colliery of S.E.C.L. His services were discontinued.

3. The case of the workman in brief is that he was working as Coal Loader in Mine No. 7/8 since 20-6-1983. He was appointed as Mazdoor Category No. 1 Casual/Temporary vide its order No. 12088-05 dated 6-12-1983. He has been paid all pay, quarterly bonus, arrears, profit sharing bonus etc. during his period of service. All of a sudden he was discontinued from service from 27-1-1984 without showing any cause, while after stopping him from service about 500 casual/temporary labourers were employed. This is in violation of the provisions of the Industrial Disputes Act. Despite repeated requests he was not taken in service; hence the workman has come up before this Court for the relief of reinstatement with full back wages and consequential relief.

4. According to the management, the workman was taken as casual employee and his services are deemed to be terminated each day on completion of working hours. Therefore there was no question of his dismissal or discontinuation from service. The only thing was that he was not given extension of service or renewal of contract. During the year 1983-84 he had worked only for 57 days in all.

5. Further according to the management, the workman was taken in service on the ground that he is a land oustee on his application. Believing the submission of the workman he was given provisional employment, that too on casual basis. His case along with 34 others was sent to the Tahsildar Katgora and Additional Collector, Korba for verification. Neither the Tahsildar nor additional Collector, Korba, accepted his version of Shri Anjersai that he is a land oustee and therefore his name was rejected. His name was also not sponsored by the Employment Exchange. There was a serious agitation by the land oustee of delay in employment and law and order problem had arisen. Under such circumstances, it was decided to give casual employment to those persons claiming to be land oustees subject to verification and the sponsorship by the Employment Exchange. It was in these circumstances that Shri Anjersai was given casual employment. He obtained the employment on false assertion. He was not a land oustee. He is not a member of the Union and Union could not have taken up his case. In case, the workman establishes that he is a land oustee, his name is sponsored by the Local Employment Exchange and he is medically fit, the management has no objection in considering his case for employment. He having misled the management, he is not entitled to any relief whatsoever. The reference is, therefore, liable to be rejected.

6. In the instant case, the management has been granted from time to time from 4-7-1988 onwards to adduce evidence in support of its case, but it failed to lead any evidence whatsoever in this regard. Thus the fact remains that the management has failed to show that the workman concerned was employed in the circumstances pleaded by the management and he was not found to be a land oustee. In fact, there is nothing on record to show that the workman was employed in the circumstances given

by the management and this fact has been denied by the workman in his rejoinder. No opportunity was given to the workman to show cause in this regard.

7. It is pleaded by the workman in his statement of claim para 2 and 4 that various other persons were employed after the termination of the present workman. Management has not specifically denied the above allegation. Thus there is obvious violation of the provisions of Sec. 25-H of the I.D. Act and in view of the fact that the allegation on which basis the services of the workman were terminated having not been proved the order of his termination is liable to be set aside.

8. Thus the termination of the workman from service cannot be justified and he is entitled to reinstatement in service. My answer to the reference is therefore as under :—

The action of the management of Banki Colliery of S.E.C.L. in dismissing Shri Anjersai, Mazdoor Cat-I from service is not justified.

He is entitled to reinstatement with continuity of service from the date of dismissal but without back wages. He is entitled to get the wages & ancillary benefits from the date of the award. No order as to costs. Awarded accordingly.

सं. आ. 1715.—औद्योगिक विवाद अधिनियम, 1947 (1947 के 14) की धारा 17 के अनुसरण में केन्द्रीय सरकार पंजाब नेशनल बैंक के प्रबंधन के संबद्ध नियोजकों और उनके कर्मचारियों के बीच अनुबंध में निम्नलिखित औद्योगिक विवाद में केन्द्रीय सरकार औद्योगिक अधिकरण जबालपुर के पंचमट को प्रस्थापित करती है, जो केन्द्रीय सरकार की 24-5-90 की प्राप्ति हुआ था।

New Delhi, the 1st June, 1990

S.O. 1745.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the award of the Central Government Industrial Tribunal, Jabalpur as shown in the Annexure in the Industrial Dispute between the employers in relation to the Punjab National Bank and their workmen which was received by the Central Government on 24-5-1990.

ANNEXURE

BEFORE SHRI V. N. SHUKLA, PRESIDING OFFICER, CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL-CUM-LABOUR COURT, JABALPUR (M. P.)

CASE NO. CGIT/LC(R)(12)/1989

PARTIES :

Employer in relation to the management of Punjab National Bank, 84 Patrekar Colony, Indore (M.P.) and their workman Radhe Kishan H. N. 21 Gali No. 2, Kachhi Mohalla, Krishnapure, Biora, Raigarh (M. P.)

ATTENDANCES :

For Workman.—Shri M. D. Sabharwal.

For Management.—Shri C. P. Panigrahi, Manager.

INDUSTRY : Banking DISTRICT : Indore (M.P.)

AWARD

Dated : May 16th, 1990

This is a reference made by the Central Government, Ministry of Labour, vide its Notification No. L-12012/754/87-D.II(A) dated 5-1-1989 for adjudication of the following dispute :—

“Whether the action of the management of Punjab National Bank in dismissing from service Shri Radhe Kishan is justified ? If not, to what relief is the workman entitled ?”

2. Undisputed facts of the case are that the workman was appointed as a permanent employee in subordinate cadre of Punjab National Bank at Biaora Branch with effect from 31-12-1977. He served the P. N. Bank for a period of nine years including the temporary service. On 24-8-1984 the workman was suspended from service, charge-sheeted and after enquiry dismissal was proposed. The representation against the proposed order of dismissal was made but to no effect and the proposed punishment of dismissal was confirmed vide order dated 29-8-1985 which was received by the workman on 10-9-1985. An appeal was preferred against this order which was rejected by the General Manager vide his order dated 22-1-1986.

3. The case of the workman in brief is that the enquiry was held on 5-4-1985 and the Bank examined one Shri Roop Narain as its witness. This Roop Narain was also a complainant for the charges levelled against him and was therefore a very important witness. On the date of the examination of the witness he came a bit late to the place of enquiry. The witness was examined in his absence and he was not given an opportunity to cross-examine the witness and was therefore deprived of reasonable opportunity of defence.

4. According to the workman, the amount of Rs. 700 received by him from the complainant relates to personal transaction and that had nothing to do with the Bank. On this point, the Presenting Officer of the Bank did not cross-examine the workman. Thus his statement remains unchallenged.

5. During the departmental enquiry the Bank has placed reliance on the hand-written report submitted by Shri R. S. Budhia dated 12-2-1985. No opportunity was given to the workman to cross-examine Shri Budhia through some other hand-writing expert and thus violated the principles of natural justice.

6. The workman was not supplied with the copies of the findings of the Enquiry Officer along with the order of proposed punishment. Thus he was deprived of reasonable opportunity of defence.

7. The punishment was also disproportionate and violated the provisions of Sec. 11-A of the I.D. Act. One Shri Jogendra Singh Rajpal who was also charge-sheeted on similar matter was given lesser punishment of reduction in rank and was reinstated as clerk

at Branch Office, Katni. This disproportionate punishment amounts to victimisation to the workman. The workman is, therefore, entitled to reinstatement with full back wages and consequential reliefs.

8. According to the management, the enquiry was just and proper, the workman was given full opportunity, the charges were proved against him and after giving him full opportunity the order of dismissal was passed which is most reasonable in the circumstances of this case. The workman had even admitted his guilt that he used to receive Rs. 100 being the monthly instalment of deposit in Recurring Deposit Account No. 1545 of Ku. Lata Namdeo and he has received Rs. 100 every month on 25-11-83, 25-12-83, 25-1-84, 25-2-84, 24-3-84, 25-5-84 and 18-6-84 being instalments but the workman who was incharge of making entries in the related Pass Book and putting his initials thereon never deposited the said amount in the said account. Further he entered the amount of Rs. 100 on different dates in the related Pass Book, put his initials and impressed upon parents of Ku. Lata Namdeo that the amount received by him stand deposited in Recurring Deposit Account No. 1545 whereas he never did so. Thus Shri Radhe Kishan committed acts of misconduct. He also confessed the acts of commission in the presence of Shri C. S. Srivastava and G. C. Maloria of B.O. Biaora. He was dismissed after lawful enquiry and the allegations by the workman are false. Punishment is adequate and reference is liable to be rejected.

9. In this case, the reference was received on 12-1-1989. The case thereafter proceeded and the respective statements were filed by the parties along with the documents. On 10-12-1989 the case was fixed for evidence of parties for 29-3-1990. On 29-3-1990 nobody appeared and the case was then fixed for 10-5-1990 for evidence of parties. But on 10-5-1990 also nobody appeared for either of parties and no evidence was led by either parties in this case. D. E. file has also not been produced.

10. The management having admitted the dismissal of the workman and the burden of proof of justification of dismissal being on management it was for the management to provide that the dismissal was justified. For want of any evidence this Court cannot give any findings as to the justification of the dismissal of the workman by the management.

11. My finding therefore is that the management has failed to justify the dismissal of the workman from service. In the same way, there is nothing on record to show whether the punishment awarded was proper or not. In fact, I need not go into the details of other points in this case. My answer to the reference therefore is as follows :—

Action of the management of Punjab National Bank in dismissing from service Shri Radhe Kishan is justified but not been proved. He is, therefore, entitled to reinstatement with full back wages & consequential benefits. No order as to costs.

Awarded accordingly

V. N. SHUKLA, Presiding Officer
